SALVATION ARMY HOME LEAGUE

Special Week Is Being Observed By Women

This week has been designated as "Home League Week" in The Salvation Army when members throughout the Dominion will hold special meetings and outline the League's objectives and review its past accomplishments.

One of the far-reaching organizations with the Salvation Army is the Home League, at work in almost every Corps throughout Canada and also in every country where the Army Flag flys, being international in its scope. The object of the League is the raising of high standards of home life and the spiritual and practical help of the family.

The work of the Home League women covers many phases of home front activity and adapts itself to the conditions of the community in which it operates. The human touch and the understanding heart have been proved by The Salvation Army to be an infallible means of meeting the human problem and the ever present chaos in which men and women find themselves.

In Prince Rupert the Home League and Red Shield Auxiliary have, in the past six months, sent 93 garments to the Toronto Headquarters for shipment overseas, including:

Service garments—7 sweaters, 7 pairs mitts, 2 scarfs, 17 pairs socks, 1 helmet, 5 chest protectors.

Civilian goods—1 quilt, 16 pairs children's pyjamas, 3 children's sweaters, 34 assorted civilian garments.

AERONAUTICAL MEDICINE

The Germans were the first to keep medical histories of persons transported by air.

From The Waterfront

The Princess Louise, Capt. Thomas Cliff, arrived in the city today northbound to Alaska ports. She carried 70 passengers, six of whom were for Prince Rupert.

LAW COMES FIRST

OLD BUT RECENT

This week we are back to our regular program with the Monday night dances starting off the week's activities. Bob Wybrow and his versatile new combination will be on hand to supply the music with Tommy Urquhart doing the vocals. Special prize dances will be features of the evening.

On Wednesday evening the Music Hour will again be held in the Common Lounge. Bob Morrison is in charge of the arrangements. After the recorded music a short film, "The Woodwind Choir" will be shown. Bob Fleming will then take over at the piano with a transcript at the piano with a transcription of his own clever composition, "The Nursery Suite." This promises to be a highlight program and a special invitation is extended to all service personnel and civilians.
