EXCEPTIONAL TEXTURE in Cooking depends...

as every good cook knows—on the ingredients.

The secret of cake baking lies in the texture of your cake. Everything depends upon whether or not the cake is light and fluffy and just sufficiently moist. Why not be sure of your cakes being just deliciously right in every way?

Nestlé's Evaporated Milk produces a uniform, velvety texture and a glorious, rich colour. It also helps a cake to retain moisture — and consequently, freshness, longer — if, indeed, you can keep a cake at all when made with this pure, concentrated doubly rich, cows' milk! Your family will be demanding cakes, pies and puddings made with it.

What more simple way to provide that extra quart or so of milk a day that is so essential to children and beneficial to adults? Nestlé's Evaporated Milk contains more than twice the amount of nutrients obtainable in the same quantity of ordinary market milk, with added advantages of convenience, economy and safety.

But try it for yourself. Given below is a recipe for Cocoa Cake—a "mouth-watering" chocolate cake made with cocoa. We promise you it will establish your reputation as a cake baker.

Cocoa Cake

1¾ cups butter
2 cups sugar
4 eggs
3 cups pastry flour
5 teaspoons baking powder
¾ cup cocoa
½ cup Nestlé's Evaporated Milk and
½ cup water, mixed
1 teaspoon vanilla

Cream butter and sugar. Separate eggs and add yolks to the butter-sugar mixture. Sift flour, then measure. Resift with baking powder and cocoa. Add alternately with the diluted Nestlé's Evaporated Milk to the first mixture, beginning and ending with dry ingredients. Add vanilla and fold in stiffly beaten egg whites. Pour into 2 layer-cake pans that have been oiled and lined with paper and bake in a moderate oven (350° F.) for about 35 minutes. Yield: 2 layers, 9 inches square.

"Nestlé's Evaporated Milk is always on my kitchen shelf"—

"I prefer it to any other brand. Not only has it simplified and improved my baking—but I have found it to be most economical. I use it now wherever I require milk in my cooking—with truly wonderful results."

SEND-OFF TO INSTRUCTOR

Stewart Steele Guest of Honor at Concert and Dance at Skidegate Mission Before Leaving

Shortly before he left Skidegate, Stewart Steele, trainer of the Indian band at that point, who arrived here yesterday, was the guest of honor at Skidegate Mission at a farewell party given at the town hall. The citizens of the village united in doing honor to the musician who had been in the village for two months.

The program opened with selections by the band which played the march "Solid Front," Overture "Tuctopiel," march "King Cotton," medley selection "Trombone Comedy," march "The Brier Bush," trombone solo by Mr Steele, "The End of a Perfect Day."

This concert band of 38 pieces has made great progress under their instructor. In the course of the evening, H. E. Green spoke, thanking Mr. Steele for the fine work he had done and presented him with a beautiful carved totem pole as a present from all the citizens to show their appreciation of the kindly interest he had taken in their progress.

Mr. Steele replied appropriately and there were many expressions of the hope that he would return at some future time. Dancing was continued until a late hour.

Among the invited guests there were at the party from Queen Charlotte City, Dr. and Mrs. Charter, Constable and Mrs. Sharpe, Mr. and Mrs. A. Cook, Mr. and Mrs. R. G. McKenzie, Mr. and Mrs. F. Atkins, J. Service, M. Newman, J. Gillatt and A. Beavan.

From Skidegate there were Mr. and Mrs. G. Chastney, Mrs. C. M. McIntyre, Mr. and Mrs. E. C. Stevens and P. Turner and all the staff and employees of the Skidegate Sunrise mine. All told, there were fully three hundred present.

Mr. Steele left yesterday for his home in Anyox.
