DISCUSS WORKLESS

Resolutions Passed by Northern B. C. Fishermen's Association

At a special meeting of the Northern British Columbia Fishermen's Association, called at Dundas Island last week to discuss the unemployment situation, the following resolutions were unanimously adopted:

"That the Northern B. C. Fishermen's Association condemn the proposed action of the government in having single unemployed men who are unemployed through no fault of their own to work for 20 cents per day in camps.

"That the Northern B. C. Fishermen's Association condemn the policy of our elected representatives who under our system of democracy are supposed to represent all the people in driving the Canadian workers' standard of living below the coolie standard of China and India.

"That we request the Department of Labor to enforce the standard of living as set by that department on all labor in Canada."

Presentations By Oddfellows

Rev. H. T. Allen and John de Kergommeaux Honored at Terrace

TERRACE, June 27.—Last Monday the Oddfellows made a presentation to Rev. H. T. Allen who is leaving Terrace for Cumberland.

On the same evening, following their usual custom, the Oddfellows presented a comfortable arm chair to John de Kergommeaux and his bride. The young couple replied happily to the congratulatory speech of the Noble Grand, Vernon Glass.

The fire department had a call at 4:15 Saturday afternoon to the home of Chris Sather, Seal Cove Circle, where there was a chimney fire. No damage was done.

FAREWELL MINISTER

Social Given at Port Essington For Rev. and Mrs. Dovey

PORT ESSINGTON, June 27.—On Friday evening last a farewell social was held in the Port Essington Band Hall under the auspices of the Young People's Organization of the United Church in honor of the Rev. and Mrs. William Dovey. A splendid program, including music and games, occupied the greater part of the evening.

A presentation of a purse on behalf of the natives of the village was made to Mr. Dovey by the president of the Reserve, Louis L. Starr, with a letter of appreciation of the work done in the field.

Following this, a presentation of a fountain pen was made by the vice-president of the Young People's Organization, Miss Rosa Spalding.

The minister responded suitably to both presentations on behalf of himself and Mrs. Dovey, expressing the satisfaction derived from the experiences of the past year and appreciation for the response of the native people to all the departments of the church work.

Mark Bolton, on behalf of the native people, expressed his deep regret at the departure of Mr. Dovey at a time when the work, especially among the young people and the children, was making such progress. He expressed the hope that the minister who followed would continue the good work.

Delicious refreshments, served by the young people, brought to a close a very happy evening.

The Essington Concert Band kindly donated the use of their hall for the occasion.

A. O. Ross, inspector of the Royal Bank of Canada, and J. Moore, his assistant, sailed by the Prince George yesterday afternoon on their return to Vancouver after having spent a few days here on official duties. Thomas Atkins, another of Mr. Ross' assistants and a former member of the staff of the local branch, sailed Saturday evening on the Prince Rupert for Vancouver.

Bombing Sunday In St. Peter's

Holy Year Crowd Thrown in Panic By Explosion

VATICAN CITY, June 27. (Canadian Press)—A Holy Year crowd in St. Peter's Cathedral was thrown into a panic on Sunday by an explosion in the portico of the basilica which injured four persons, one seriously.

Col. Andros of Victoria, who has been paying a visit to Vanderhoof, was in the city Saturday afternoon on his way south. He arrived from the interior by train and sailed for the south on the steamer Prince Rupert.

WHIFFLETS
From the Waterfront

Reports from the Hippo Island trolling grounds on the Queen Charlotte Islands are to the effect that fishing continues to be poor there. Continuous bad weather has not been helping the run of spring salmon at that point which so far has been very disappointing.
