The Bo-Me-Hi Rainmakers came through with a fourth quarter drive that gave them their big margin of victory in Friday night's Senior basketball. Their offensive functioned perfectly as all players were clicking on their floor plays.

Only in the first half did Brownwoods hold the powerful students down as each team played a crowd-pleasing game. The teams traded baskets with the lead changing many times in the first half. Outside shooting by both teams was good. Brownwoods held a 13 to 12 lead at the quarter. The second quarter was slower than the first and the shooting was off. Bo-Me-Hi took over the lead at the half 27-19.

At the start of the third quarter the play continued along lines similar to the previous periods. Both teams played heads-up ball. With 5 minutes to go in the third quarter, Brownwoods were in the lead 34 to 31. Then the Rainmakers caught fire and banged in 7 points to take a 38-34 lead as the third quarter ended. Their high-powered offensive speeded up in the fourth quarter, and they rammed in sixteen points to only 2 for their opponents. Outcome of the game was definite now as Bo-Me-Hi continued on the merry way of piling up their lead.

Bo-Me-Hi's strength on the bench had much to do with their victory. Art Olson and Carlson controlled the backboards and were also outstanding on offense.

Brownwoods first stringers tired out in the fourth quarter and their defense was split wide open by the fast-breaking Rainmakers.

Brownwoods took 101 shots and made 15. They scored 10 of 25 free throws. Bo-Me-Hi took 89 shots and made 24. They scored 10 of 21 free throws.

WHY SEAGRAM'S SELLS CANADA FIRST

This is an adaptation of one of a series of advertisements designed by The House of Seagram to help promote the prestige of Canada and sell Canadian products to the markets of the world.

The advertisements, which are appearing in magazines and newspapers published in various languages and circulated in all parts of the world, are in keeping with the belief of The House of Seagram that the future of every Canadian business enterprise is inextricably bound up in the future of Canada itself; and that it is in the interest of every Canadian manufacturer to help promote the sale of *all* Canadian products in foreign markets.
