NO CASUALTIES IN AIRPLANE CRASH

ENGLAND CAPTURES LAWN TENNIS WORLD CHAMPIONSHIP

Seaplane City of Prince George Wrecked in Forced Landing When In Neighborhood McConnell Creek

McClusky, Duke Harris and Others Escape Uninjured and Brought Out to Burns Lake by Consolidated Plane

VANCOUVER, July 31:—Word has been received here that Colonel Victor Spencer's Junkers seaplane City of Prince George was wrecked in a forced landing near McConnell Creek but the occupants, Pilot W. R. McCluskey, Air Engineer Fred Stanes and W. S. (Duke) Harris, mining man, were not injured and were picked up by a search plane piloted by Ken Dewar of the Consolidated Mining and Smelting Company Ltd. and taken to Burns Lake yesterday.

The plane left Prince Rupert on Friday, July 21 following a prospecting trip in the Rainy Hollow country with the intention of enabling Mr. Harris to look over some mining prospects in the McConnell Creek district.

Mr. Harris is scouting for mining properties for the Spencer interests and has been using the plane for that purpose for some time.

REVENUES FROM MINES INCREASING

Total Revenues For Quarter Are Up $60,000 It Is Officially Announced

VICTORIA, July 31:—British Columbia revenues for the first quarter of the present fiscal year were $60,000 greater than for a corresponding period last year. There were material gains in all forms of mining receipts, Hon. W. J. Jones, minister of finance, said, in making the announcement.

CROPS POOR SOUTH PART OF PRAIRIES

Bank of Montreal Report Says Yield For Three Provinces Will Be Much Below Average

Further deterioration in all crops in the prairie provinces has taken place during the past week owing to lack of moisture and hot weather and poor crops with consequent feed shortage are indicated over a large part of the southern and central areas of the three provinces, according to the Bank of Montreal report. Conditions in the northern areas are more favorable Damage from grasshoppers continues over large areas of Saskatchewan and Manitoba, while frosts have occurred in Alberta. As indicated in previous reports, the prairie crop of all grains will be considerably below average.

Norman L. Freeman, local representative of the International Fisheries Commission, who has been on a two weeks' trip to Ketchikan and Juneau on official duties, returned to the city from the north on the Princess Charlotte Saturday afternoon.

Independent C. C. F. Men in Field in South

Break in Party Accentuated by Putting Five Candidates in Field in Vancouver District

VANCOUVER, July 31:—Five independent members of the Canadian Commonwealth Federation are in the field in this district. Gerald V. Pelton, K.C. and Colonel H. Edward Lyon are candidates for Vancouver Centre and James E. Johnston for Burnaby. In Vancouver East J. G. Leggat and F. W. Crawford are running. These are the first members of the new group to be chosen and their nomination brings the number of candidates for the province up to 91 with a number more to be chosen.

The central plank in the independent C. C. F. platform is to be consolidation of taxation into income taxes.

Local Prospecting Syndicate Has Its Men in the Yukon

Word was received in the city at the end of the week that a party sent in by the Besner prospecting syndicate of this city to property in the Pelly River section of the Southern Yukon had arrived at the location. The party was sent in via Edmonton. It joins other men who have been on the ground since last year.

BIG TIMBER TRACT SOLD

Over Million Dollars Paid in Forced Sale at Vancouver at End Of Week

VANCOUVER, July 31: (Canadian Press)—A 10,000 acre tract of timber in the Sayward district of Vancouver Island was sold at public auction at the Court House here at the end of the week to the only bidder, the Labelle Timber Co. Ltd. of Vancouver, for $1,164,615. The sale was in satisfaction of a judgment obtained by the Labelle Co. against the Arkansas-Vancouver Timber and Lumber Co. Ltd. for $1,091,450 for balance owing by the Arkansas-Vancouver Co. in 1930 to purchase the tract for $1,600,000. A cash payment of $650,000 was made and the suit began two years later for principal instalments and interest.

PROJECT APPROVED

United States Government to Spend Sixty-Three Millions on Power Undertaking

WASHINGTON, D.C., July 31:—Plans for the new $63,000,000 Grand Coulee dam and power project on the Upper Mississippi River were approved at the end of the week by President Roosevelt.
