TERRACE CIVIC CENTRE SUCCESS

Director Speaks to P.-T.A.—Hot Soup Appreciated

TERRACE—At the regular monthly meeting of the Terrace Parent-Teachers' Association in the Primary School on Thursday evening, Alf. Yoxall, director of the Civic Centre, was the speaker.

Originally an Army Drill Hall and purchased very cheaply in November 1946, by public subscription, Mr. Yoxall outlined the improvements made in "this big barn of a building," as he termed it, since that time. It was opened in July 1947, and since then, he declared, has become the only self-supporting Civic Centre in British Columbia. He concluded by asking the interest and support of all those present. Mrs. C. R. de Kergommeaux, president, was in the chair and she reported that the recent P.-T.A. guessing contests held in the local stores in December had been a total failure financially although the experience gained and publicity had been worthwhile. A vote of thanks was given the storekeepers for the donation of the prizes.

The treasurer's report, presented by the secretary, Mrs. F. Gavan, showed that expenditures during the month of December had been quite high. Accounts for library books had come in and been paid. The hot lunch program at Primary School was quite a drain on the funds. Not all of the children were paying for or taking the hot soup but that had been anticipated, and on the whole, the hot lunches were going quite satisfactorily with helpers turning out to the lunch room even though the weather has been so stormy.

Plans for the annual tea and school display of work to be held on Easter Saturday were left over until the next meeting as were also plans for a "White Elephant" sale to be held in the late Spring.

Alf. Attree has consented to direct the annual play which, it is expected, will be staged in early Spring.

At the close of the meeting, refreshments were served.
