NORWAY DAY IS HONORED

Two Hundred and Fifty Persons Attend Program and Dance In Oddfellows' Hall

Some two hundred and fifty persons gathered in the Oddfellows' Hall last night to participate in the annual celebration under the auspices of the Sons of Norway Lodge of the anniversary of the declaration of Norwegian Independence, the affair being a most successful and enthusiastic one which everyone enjoyed. First there was an interesting program, this being followed by the serving of refreshments after which dancing was enjoyed.

The program was as follows:

"O Canada."

Address of Welcome by president, Oscar B. Sather, who was in the chair.

Drill and song by eighteen girls in Norwegian costume.

Selections by Jugo-Slav Orchestra.

Piano solo, Mrs. J. S. Black.

Sketch, "A Gypsy and His Wife," Mrs. Chris Jensen and Oscar Haveroy.

Selection by Jugo-Slav Orchestra.

Norwegian folk song by seven girls—Edith Slatta, Elsie Johansen, Aslaug Skaland, Hjordis Skaland, Mimmy Johnson, Agnes Wick and Marie Sorensen.

"God Save the King."

Mrs. J. S. Black was piano accompanist for the evening.

During the serving of refreshments which followed the program, pupils of Miss Eleanor Tite gave an exhibition of dancing.

Music for the dancing which followed supper and continued from 11 p.m. until 3 a.m. was provided by Mrs. J. S. Black's orchestra. Oscar Haveroy was master of ceremonies.

The committee in charge of the evening's entertainment consisted of Mrs. Hans Underdahl, Mrs. John Ivarson, Mrs. Olga Jerstad, Mrs. Chris Jensen, Hans Knutsen and Peter Nornes. John Murvold presided at the door.

Elgood Stephens Science Bachelor

Word has been received in the city of the success of Elgood Stephens, youngest son of Mr. and Mrs. M. M. Stephens, in graduating from the University of California at Berkley, California, as a Bachelor of Science. He received all his public and High School education up to senior matriculation in Prince Rupert and has it to his credit that he never failed in any examination and never had to take a supplemental. He expects to take a position in California.

Firemen Going In For Garden Work at Hall

Apparently spurred by the example which has been set by the police department across the street, members of the city fire department started yesterday on a program of beautification of the grounds around the Fire Hall. It is understood that the firemen intend during their spare time to carry out considerable gardening work, all of which will make a great improvement of the surroundings generally.

Meeting Held by Trail Committee

Certain Details To Be Gone Into With City Engineer Prior To Starting of Survey

At a meeting of the Mount Oldfield trail committee of the Gyro and Rotary Clubs and Chamber of Commerce in the office of the chairman, Dr. L. W. Kergin, Tuesday night, it was decided to take up with City Engineer F. N. Good certain details in connection with the project so far as city property is concerned prior to the provincial department of public works starting upon the survey of the proposed route up the mountain. The expectation of the committee is that the survey will be started within the coming week.
