Here's Quickest, Simplest Way to Stop a Cold

1. Take 2 Aspirin Tablets.
2. Drink full glass of water. Repeat treatment in 2 hours.
3. If throat is sore, crush and dissolve 3 Aspirin Tablets in a half glass of water and gargle according to directions in box.

Almost Instant Relief in this Way

The simple method pictured above is the way doctors throughout the world now treat colds.

It is recognized as the QUICKEST, safest, surest way to treat a cold. For it will check an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, see that you get Aspirin Tablets. Aspirin is the trademark of The Bayer Company, Limited, and the name Bayer in the form of a cross is on each tablet. They dissolve almost instantly. And this work almost instantly when you take them. And for a gargle, Aspirin Tablets dissolve so completely they leave no irritating particles. Get a box of 12 tablets or a bottle of 24 or 100 at any drug store.

Another Shower Held Last Night

Delightful Affair in Honor of Miss Victoria Krikevsky

Another delightful pre-nuptial affair in honor of Miss Victoria Krikevsky, who is to be married shortly to Hawthorne Dunn, took place last evening when Mrs. Mike Budinich, Third Avenue, was hostess at a pretty miscellaneous shower for the popular bride-elect.

The early part of the evening was spent in playing of court whist, the prize-winners being Miss Cathie Irvine and Miss Mary Sim.

The presentation of a beautiful assortment of gifts then took place in a novel way. A doll's house attractively decorated in yellow and white had been placed in the centre of a table. On the guest of honor pulling a cord, the roof gently raised as a bell sounded, displaying the lovely gifts inside.

Serving of delicious refreshments brought the evening's proceedings to a close.
