## Most Especially Conducted

The Captain and the crew, the ship's Doctor, and more particularly the kindly, motherly stewardesses of the Canadian Pacific liner Montclare all shared the responsibility of personally conducting the recent trans-Atlantic journey of Mary Estella Barr, of Halifax. Mary Estella has six months of very active life behind her, and the best wishes of the Montclare's personnel for many happy years to come. The journey was necessary because Mary Estella is motherless, and her father, Peter Barr of Halifax, though unwilling to part with his baby daughter, yielded to the wishes of his parents in Leith, Scotland, to send the baby to them. Her grandparents met her at Glasgow.

## WHIFFLETS
### From the Waterfront

After an absence of about a year from the Vancouver-Bella Coola-Ocean Falls-Skeena River-Prince Rupert route on which he is so well and favorably known, Capt. "Jock" Muir is back as pilot aboard the Union steamer Cardena. A year ago he was appointed to command of the steamer Chelohsin on the logging camp run and it is expected he will shortly be returning to that vessel.

With a fair-sized list of passengers, Union steamer Catala, Capt. A. E. Dickson, arrived in port at 5:45 last evening from Vancouver and waypoints and sailed at 8 p.m. for Anyox, Stewart and other northern points whence she will return here southbound tomorrow morning.

Creditors of the estate of the Rupert Marine Products Ltd., at a meeting last week, approved a renewal of the lease of the Tucks Inlet reduction plant to Nelson Bros. Fisheries Ltd. together with an option to purchase the plant for $10,000 on expiry of the lease on October 15 next.

Frank Waternouse freighter Northolm, Capt. Henry Porritt, arrived in port at noon Saturday from Vancouver and, after discharging general cargo here, sailed the same afternoon on her return south.

The Vancouver seineboat and packer Z Brothers was in port late last week on the way to the Naas River where it is expected to be engaged in salmon packing during the coming season. While here the Z Brothers was tied up at the floats of the Armour Salvage Co.

Having in tow the Union Oil Co.'s tank barge, which arrived from Vancouver on Friday, the Armour Salvage Co.'s power tug Salvage Princess left at 6 o'clock Sunday morning for North Island, where the tank barge will take up its station for the season on the trolling grounds. The outfit arrived safely at North Island during last night and the Princess is expected back in port this evening.

## DRAMA IS POIGNANT

**Ann Harding Given Full Scope For Histrionic Capabilities in "Gallant Lady"**

"Gallant Lady," a poignantly dramatic and appealing story, which comes to the Capitol Theatre here at the first of this week with Ann Harding, Clive Brook, Otto Kruger and the popular little Dickie Moore in leading roles, is the story of a girl whose lover loses his life in an attempt to fly the Atlantic Ocean, ignorant of the fact that she is to bear his child. Surrendering the child for adoption immediately after its birth, the girl, as the years pass, becomes a successful business woman. Destiny brings three men into the pattern of her life and at length offers her the privilege of reunion with her boy under penalty of silence regarding her true identity. The play is climaxed in a tensely dramatic scene which gives full play to Miss Harding's histrionic capabilities.
