Bruins Down Red Wings

BOSTON (CP) — Boston Bruins led all the way while gaining their first home game decision over Detroit Red Wings 3 to 1 Tuesday night at Boston Gardens.

The upset enabled the Bruins to move into a fourth place tie with New York Rangers in the National Hockey League.

Outshooting the circuit leaders by a 40 to 22 margin, the Bruins scored once in the first period and twice in the second session.

Sugar Jim Henry had a shutout going until Len Kelly counted with a 20-foot shot during the second minute of the final period.

ON THE SPOT

One More Working Spurt And Rink Will Be Ready For Skating and Curling

Unless volunteer workers of the Prince Rupert Curling Club turn out in goodly numbers during the next few evenings, the B. C. Packers will be ready to deliver brine to the new rink at Seal Cove and the club will not be ready to receive it, warned Club President Neely Moore this morning.

Then the club will be losing time in getting the rink in operation and using the long awaited ice.

This morning Mr. Moore issued an urgent appeal to members to turn out and wind up the job of spreading sand over the now laid pipe, trimming the sides and shingling the building extension.

"The line from the B. C. Packers will be down in a couple of days," Mr. Moore said. "Then there will be nothing to delay us in getting the ice made. We're on the spot ourselves now."

Mr. Moore says he needs thirty men each night this week and at the week-end. Instead there have only been about twelve turning out."

More than 160 miles of road were surfaced in Canada's various national parks during 1951.

Ocean Falls Teams Here

With arrival today on the Prince George of a full lineup of Ocean Falls high school hoopsters, a strenuous struggle should take place when they meet top intermediate Bo-Me-Hi players here tonight.

The two game series will revive the old rivarly between the two schools. A prominent lineup for Hi-Greens will face the visitors under coach Les Mathews. They are:

Roy Webber—Six-foot one and a half, forward. Roy was last year's high scoring member of his team. He's considered most useful under the hoop and comes through with baskets when most needed.

Penio Peneff—Five-foot nine forward who is back with the Greens for another year. What Penio lacks is height he makes up for in hustle.

Bill Clark—Tall six-foot one and a half centre who was the mainstay of the Greens last year. Bill is a good shot and a tower of strength in defence.

Jerry Ford—Five-foot nine and a half, guard, is in his second year with Greens and should give plenty of fight for his team with his ball-hawking and constant hustle.

Alan Sheppard—Six-foot guard is a steady influence on the team and a handy man to have around to stop opponents' fast breaking. He's good at two-handed set shots.

Bill Becker—Five-foot eleven guard is captain of his team and plays solid defence.

Ron Rhodes — Six-foot one centre is the playmaker of his team and is developing a good hook shot.

Robert Woods — Another six-foot guard covers a lot of ground on defence and sets up plays.

The next three men are newcomers moving up from last year's junior squads. All show lots of promise.

Doug Sankey — Five-foot six guard, and it looks like Doug will win a starting berth. He's an excellent ball handler and a hard worker.

Fred Kristmanson—Tallest of the three, is five-foot eleven, plays forward position. He's an excellent shot with good timing and effective on defence.

Danny McAfee—Five-foot eight and a half forward is the owner of an excellent left handed shot and an effective man on fast breaks.

Ross Ingram is manager and looks after the details of the team, such as travelling, statistics and records.

Although playing positions of the visitors was not available at press time, Robert Blackwell's Ocean Falls students are announced as B. Dowling, M. McAllister, T. Lafontaine, J. Reed, B. Hunter, H. Neville, A. Jepson, S. Frew, K. Fisher, D. Hunter, G. Meldrum and B. Davies.

To round out entertainment of the evening a special event will feature a girls' hoop tussle, when a student groups meets a "town" team.

For moral support of the home team, a drill team of 20 to 30 girls has been organized by Coach Miss Loraine Maynard and the following majorettes have been appointed: Misses Margaret Giske, Jackey Moore, Alice Nickerson, Rena Ingram, Molly Simmons and Sue Martin.

Game time is 7 p.m., at the Civic Centre.

BO-ME-HI

Lineup for the Bo-Me-Hi girls' team is as follows: Patty Martin, Verna Graham, Pat Hill, Leona Webster, Agnes McIntosh, Annette Windle, Jean Sharp, Dot Marshall, Barbara Moore, Muriel Shier and Margaret Youngman.

GIVEN KOREAN AWARD — Maj. John Herbert George of Edmonton, has been awarded the Distinguished Service Order for service in Korea. Citations were not immediately available but the decoration presumably was given on the strength of an action early in December when Canadian forces carried out several midnight raids and captured Communist positions. Maj. George was wounded in the throat by shrapnel during one of the raids. (CP from National Defence)

"Golden Girl" At Capitol

"Golden Girl," technicolor musical set in the California Gold Rush days and telling in song and story the life and times of a famed entertainer of the period, shows at the Capital Theatre this Thursday, Friday and Saturday. Mitzi Green, vivacious new young actress, plays the leading part.

The story is that of Lotta Crabtree, fabulous business queen, who struck gold in more than one way during her career in the famous gold strike of 1851. Dancing and music are interpolated into the picture in tuneful and colorful sequences.

Dennis Day plays the leading male role and others in the cast include Dale Robertson, James Barton and Raymond Walburn.
