Sid Smith Tallies 25 Goal of Season As Leafs Battle To Tie With Habs

By JIM BASTABLE
Canadian Press Staff Writer

Sidney Smith, a gentlemanly player in hockey, is running into a rash of penalties. He's had two in three games.

That's a lot for Smitty, who has never busted an opponent's beezer nor creased a skull in nine National Hockey League seasons with Toronto Maple Leafs.

Smith, Toronto's brightest star this year, picked up his fifth minor penalty for the 1954-55 campaign Wednesday night as Leafs and Montreal Canadiens battled to a 1-1 tie. He didn't even trip or hook to get it. He happened to be the seventh man on the ice and found that referee Bill Chadwick had no trouble counting before 14,270 howling fans.

The 29-year-old leftwinger, bidding for a spot on the league's all-star team, had given the Leafs a 1-0 lead at 10:41 of the first period and was ready for another turn on the ice when Chadwick caught him jumping over the boards. Leafs already had six men in action so he had no choice but to banish Sid for two minutes.

Smith was sitting out the penalty when Jean Beliveau whipped the puck past netminder Harry Lumley at 13:56 to deadlock the engagement. That was Beliveau's 28th goal of the season.

Any disgust Smitty might have felt for his unexpected penalty undoubtedly was eased by his scoring performance. He tallied his 25th of the season and, with 21 games left, is virtually a cinch to hit the 30-goal circle again. He last [illegible] it in the 1952-53 season.

Smith sent Leafs ahead on a three-way play with defenceman Hugh Bolton and centre Rudy Migay. Two Canadiens and one Leaf were in the penalty box at the time. Smith snared Bo[illegible] short pass at the goal-crea[illegible] flicked the puck past goalie Jacques Plante into the [illegible] corner.

Danish Miler Denies Boast About Beating Wes Santee

BOSTON (AP)—Gunnar Nielsen, the Danish miler who has split two indoor meetings with Wes Santee, today clarified his verbal tiff with the fleet Kansan.

Nielsen, who races Santee again in Saturday's BAA games, denied Wednesday night that he said he could beat Santee any time.

"I only said that I have a chance to beat Santee every time we run," he told newsmen.

In his first American start two weeks ago in Boston's Knights of Columbus games, Nielsen was clocked in 4:07.9. Last weekend, he lost to Santee in Philadelphia and then beat the American outdoor record holder on flat boards in Washington.

THE HAGUE (AP)— The Royal Canadian Air Force hockey team from West Germany lost 6-5 to a Netherlands club here Wednesday night.

Period scores were 1-2, 3-2, 2-1.

Garand got four goals for the Canadians in a one-man victory bid. Reid scored the other.

FERNIE, B.C. (CP)—Jim Littler of Fernie Wednesday won the Grand Aggregate of the Fernie annual invitational bonspiel with seven wins and one loss.

Members of the rink are Jim Littler skip, Fred Dawson third, Dan Chester second and Jim Perkins lead.

Art Reid of Creston won the second primary event and Ab Dicken of Fernie took the secondary event.

CHICAGO (AP)— The Chicago Cubs today had 27 players under contract with signed 1955 pacts returned by pitchers Hal Jeffcoat and Al Lary and catcher Joe Hannah.

Hannah, 22, and Lary, 26, whose brother Frank bowed in with the Detroit Tigers last season, will be attending their first major league training camp this spring. Al Lary starred as a university of Alabama halfback in 1950.

ADELAIDE, Australia (AP)—Vic Seixas and Tony Trabert, America's victorious Davis Cup team advanced to the doubles final of the Australian national tennis championships today.

They whipped Mervyn Rose and Rex Hartwig of Australia 6-4, 10-12, 6-0, 6-1 in a semi-final struggle.

In the other semi-final, an all-Australian affair, Lew Hoad and Ken Rosewall beat Neale Fraser and Ashley Cooper, 12-10, 6-4, 6-2.

Now's the time to get a BUTLER building up, ready for this year's crop

Within days, you can have a Butler steel grain storage building ready for the safe, clean storage space you need for this year's crop . . . for every crop.

Butler grain storage buildings—40' wide with 14' sidewalls and 20' bays for any desired length—give you big, obstruction-free space that keeps storage cost per bushel low!

Your grain is protected from weather and rodents by firmly sealed and bolted galvanized steel sheeting that lasts for years with little upkeep.

And, when you are not using a Butler building for grain, you can house machinery and livestock in it for year 'round use.

Big doors—12 or 16' width x 13' high—let you back in with large trucks for faster grain handling or move in and out with heavy farm equipment.

Don't gamble with your grain because of lack of storage. Call us today. Order now, and you can still store this year's crop safely. Our service covers everything from planning to erection.
