CHAMBER MEETING

Junior Section in Session—Dr. Carter is Speaker—Program of Activities

The regular monthly meeting of the Junior Chamber of Commerce was held last night at the Knox Hotel with twenty-seven present and President T. N. LePage in the chair.

Guest of the evening was Dr. Neal M. Carter, director of the Prince Rupert Fisheries Experimental Station, who gave a very interesting and entertaining talk about the local "sea serpent" and recommended that the city of Prince Rupert should have a museum of marine specimens.

The program and activities committee submitted a program for the coming year including a "Know Prince Rupert" campaign, Christmas decoration, Prince Rupert's Silver Anniversary, traffic safety, tourist traffic, publicity and other items.

On Thursday afternoon the members of the Junior Chamber of Commerce will go into the woods to cut evergreens in order to beautify the business section at Yuletide.

STRIKE IS CONTINUING

(Continued from page one)

hours of work. The dispute was opened wide again, however, when the company refused to accede to the demand of the employees that workers who had answered the strike call last Saturday be taken back on their jobs without discrimination.

Although street car service has been maintained under police protection, not all the employees having joined several thousand others in the walk-out, there have been sporadic disorders, particularly in the suburban districts, almost daily since the strike commenced. The most serious incident was the rear-end collision of two street cars on Vermont Avenue as a result of which a score of persons were injured, none seriously, although 13 had to be taken to hospital for treatment. The collision is said to have been caused as a result of the flight of a car driven by a strike-breaking motorman before demonstrating strikers. Since then a number of cars have been overturned. In each case, the passengers were ordered out of the cars before they were upset.

Communist agitators are declared to be at the bottom of the strike.

WHIFFLETS

From the Waterfront

Reports persist that the big Canadian National steamer Prince Robert is to be brought to the local dry dock early next year for a general overhaul preparatory to being placed in commission again next summer in Alaska tourist service. The Prince Robert has been lying in idleness alongside the Canadian National dock at Vancouver for the past couple of years and is in such shape that overhaul will necessarily be an extensive job. Should the work be undertaken here, in addition to the regular annual overhaul of the Prince Rupert and Prince George, it would make the local yard a busy place early in the year.

Bringing passengers, mail and freight, C. N. R. steamer Prince John, Capt. Edward Mabbs, arrived in port at 2 o'clock this morning from Vancouver via the Queen Charlotte Islands and will be here until 10 o'clock Friday night when she will sail on her return south over the same route. Incoming passengers including a number of loggers from Queen Charlotte Island camps which are curtailing operations somewhat from now until after the New Year.

With a fair sized list of passengers, C. N. R. steamer Prince George, Capt. H. E. Nedden, arrived in port at 10:15 this morning from Vancouver, Powell River and Ocean Falls and will sail at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound.

At conclusion of the present voyage, there will be a change of personnel of officers aboard the steamer Prince John. Capt. Neil McLean will be coming out next trip as skipper in place of Capt. Edward Mabbs. Bert Robson will relieve Fred Coram as purser and Jack Hartley will replace Frank Bray as chief steward.

MESSAGE TO GYRO

Impressive Founders' Day Address Given Organization by Rev. W. D. Grant Hollingworth

Whole-hearted sincerity on all fundamental matters of character and conviction with a wise reticence respecting differences of a minor nature—or in other words, truth in things that matter most and tolerance in things that matter little—was a principle urged by Rev. W. D. Grant Hollingworth, pastor of First Presbyterian Church, in a Founder's Day address before the Prince Rupert Gyro Club at its regular weekly luncheon yesterday. Mr. Hollingworth briefly recounted the history of the Gyro Club and discussed the tenets and principles of the organization. The importance of having a worthy objective and striving to achieve it was emphasized by Mr. Hollingworth in an inspiring discourse.

Past President T. W. Brown was in the chair in the absence of President W. H. Tobey. There was a good attendance of members.
