IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED
Wake up your Liver Bile
—No Calomel necessary
For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels, every day. Without that bile, trouble starts. Poor digestion. Slow elimination. Poisons in the body. General wretchedness.
How can you expect to clear up a situation like this completely with mere bowel-moving salts, oil, mineral water, laxative candy or chewing gum, or roughage? They don't wake up your liver.
You need Carter's Little Liver Pills. Purely vegetable. Safe. Quick and sure results. Ask for them by name. Refuse substitutes. 25c. at all druggists. 54

How To KEEP FIT
When your physical regularity is disturbed, and you feel run-down and "headachey" the wise thing to do is to take Andrews Liver Salt on several successive days until the normal rhythm is fully re-established. Andrews will give Nature the aid she needs to do this for you by stimulating the inner cleansing functions. Then, when normal habits are recovered, follow the Andrews Rules of Health.
Eat moderately. Get lots of sleep, fresh air and exercise. And take a bracing, effervescing glass of Andrews Liver Salt once or twice a week. Sustained good health will amply repay you. Get Andrews from your druggist. In tins at 35c and 60c.—New, large bottle, 75c. Sole Agents: John A. Huston Co., Ltd., Toronto. 4
