Class for slow learners believed greater need

The remedial class at King Edward elementary school probably will be discontinued, District 52 School Board decided last night after a report showed that the experiment was deviating from its original purpose.

recommendation that the class urged that the board recommend be discontinued in a report from R. G. Moore, principal of King Edward school. Mr. Moore suggested that rather than a special class be established at Port Edward for students affected by seasonal movement remedial class district schools of their parents, so that smaller need a "slow learners class" plus regular classes could be mainsome means of coping with emo- tained in all grades. tional problems of pupils.

The remedial class, was begun as an experiment last September Rupert Senior High school printo assist pupils of average or bet-: ter intelligence by means of more individual teaching to overcome handicaps in fundamental subjects, with the stress on read ing. Pupils from King Edward, Conrad Street, Roosevelt Park and Seal Cove schools attended.

During the eight months the experiment was in progress pupils attended the class. with low of nine pupils in the class attending during November, December, March and April, and a high of 14 in October. Mrs. G. G. McKenzie was in charge of the uro remedial class.

Mr. Moore reported that seven pupils were returned to their regular classrooms after improv- April, a drop of 13 from the March figure. no improvement could be made. Pupils were given tests, had OV6 their problems analyzed and be sc ginning level determined. Files, were kept on the

each pupil. Where students of average inteiligence were encountered, progress was noted and they were returned to their former class-

However, Mr. Moore said, students with low intelligence and or emotional disturbances, responded little and showed little or no progress.

par He said it would appear that pupils who attended the class were not always of the intel- to clean the kitchen in the First ligence of average or better. Plans to mark Citizenship Day, May 20, were made Monday night when the Municipal chapter of the Imperial Order Daughters of the Empire held its regular meeting at

the home of Mrs. Charles Reda. It was announced that arrangements include visiting all the elementary schools in the city with a short program

to be conducted in each. The IODE is also sponsoring an essay contest for junior high school students and prizes to winners will be presented at the May 20 "Folk Festival" to be held in the evening

in the Civic Centre.

Essay titles are "What Makes A Good Citizen" and "A Short History on Prince Rupert."

In other business it was reported that May chapter plans include a rummage sale to be held by the Cambrai chapter on May 6 and the "Apple Blossom Tea" to be held by the Duchess of Edinburgh, May 28.

Mrs. T. A. McMeekin gave an interesting report on the recent provincial IODE convention held in Vancouver. Mrs. McMeekin was also elected to fill the office of Municipal standard bearer.

Miss Evelyn Rivett won the monthly raffle. Next monthly meeting will be convened by the Cambrai

chapter. Refreshments were served by the hostess to conclude the regular session.
