GOOD GAME OF SOCCER

Canadian Legion and Regiment Play to Another Draw in City League Series

In what was probably the best football game which has been seen here so far this season, Canadian Legion and Regiment played to a three-all draw last night at the Acropolis Hill grounds. Owing to the flagging interest in the sport and the general uncertainty as to what is to happen to soccer in Prince Rupert this year, there were only about a dozen fans on hand but those who did turn out were well rewarded. If this brand of play can be assured, there may yet be a chance for revival of the sport. The game was in the regularly scheduled Mobley Cup city league series. It was a close game, evenly contested and clean.

Oliver Adams of Massett, playing a fine game, scored the first two for the Legion after which Phil Edgcumbe and Paddy Palmer scored to put the Regiment on even terms. Jimmy Carroll made the third for the Legion and half time score was 3 to 2 for the ex-service men. In the second half, about ten minutes before time, Bob Armstrong made the equalizer for Regiment.

Sonny Stiles refereed the first half and Bill Rogers the second.

The league standing to date:

	W	D.	L.	F.	A.	P.
Legion	1	4	0	15	12	6
Regiment	0	4	1	11	15	4
Liberals	0	0	0	0	0	0

SPORT CHAT

With the Prince Rupert senior baseball team and large attending delegation of local people going out on this evening's train to attend, Smithers is going to extensive pains to handle a large gathering expected to assemble there tomorrow for the start of the three-day sports carnival with the baseball championship of Northern and Central British Columbia as the chief attraction. Already one hotel has a sell-out so far as rooms are concerned, but it is confidently expected that those attending will be cared for.

The entry of Hazelton into the competition during the week makes four teams to battle for the honor of the meet and the schedule is rearranged to accommodate the boys from the Skeena town.

Numerous committees have charge of the various features and the plan is being worked out nicely to assure a smooth-running machine for what is fully expected to be the largest crowd ever seen in Smithers, who are encouraged to make the trip by the low railway rates in force. The program is complete to provide three solid days and nights of fun and entertainment for all.
