VOL. IV. NO. 99. PRINCE RUPERT, B. C., MONDAY, APRIL 28, 1913. PRICE FIVE CENTS

KING GEORGE MAY VISIT RUPERT NEXT AUGUST

KING NICHOLAS STILL DEFYING THE POWERS: DEMENTED WOMAN MURDERS HER CHILDREN

KING GEORGE HAS DEFINITELY DECIDED TO VISIT US NEXT YEAR

IT WILL BE IN AUGUST AND NO DOUBT THE RAILWAY COMPANY WILL MAKE DESPERATE EFFORT TO COMPLETE ROAD.

(Special to The Daily News.)

New York, April 28.—The London correspondent of the Brooklyn Eagle, under date of April 12th, writes as follows:

"I am able to announce definitely that King George will visit Canada in 1914."

The correspondent goes on to say that only such an unexpected crisis as a European war involving Great Britain, or family bereavement, will prevent the trip taking place, yet the King and his advisers are taking what would seem to be unnecessary pains in keeping the proposed visit a secret. They are so afraid that Canadians might be disappointed by some untoward circumstance that might defer the visit that they dread the King's intention being announced at this distant date.

It is believed the King in the course of his visit will drive a golden spike on the railway running entirely through Canada from Moncton to Prince Rupert. He has already announced his willingness to open the Toronto exhibition in August, 1914, and it is said that a meeting of the King with President Wilson at Niagara Falls is to be arranged in the near future.

(As it was long ago expected and hoped that King George and his staff would be the guests of the Grand Trunk Pacific on their first train from ocean to ocean, this announcement of a definite date for the visit of His Royal Highness to Canada may possibly cause the railway company and its contractors to make an extra spurt to achieve connection between Moncton and Prince Rupert by that time. The opening of this transcontinental line will be the greatest event in Canada's history, and its achievement is well worthy of being signalized by the personal presence of our ruler.—Ed.)

ODD FELLOWS WERE GOOD FELLOWS SUNDAY

Attired in All Their Sunday-Best Regalia, They Marched to Church.

The local Odd Fellows are certainly an enthusiastic body. Almost to a man they turned up at their hall in the Helgerson Block at half past 6 last night and a little later formed in a brilliant parade to demonstrate that the members of the order went to church at least once a year.

They marched to the Methodist church, on the hill, and as they entered the sacred edifice Mrs. A. G. Armstrong rolled out from the organ the very appropriate "Pilgrims' Chorus," by Wagner. In the course of the specially arranged service fine singing was heard from a quartette comprising Mesdames S. P. McMordie and W. H. Kergin and Messrs. Davies and Crays. Mr. A. G. Armstrong sang as a solo a berceuse by Ralph Kinder, and Mr. Ling also gave a solo. The anthem chosen for the occasion was "Now the Day Is Done."

Rev. Charles R. Sing, the pastor, chose as the text for his sermon "The Three Links," which is the symbol of the Order of Odd Fellows all over the world. It was really an address upon the advantages of fraternal orders, what they did in bringing mankind into closer fellowship and thus making for better citizenship.

As a postlude and recessional, Mrs. Armstrong played a Batiste gerset and the edified Odd Fellows again formed in line and marched out of the building, the rest of the congregation, as a mark of respect, remaining in their seats.

NO FINER SCENERY IN ALL THE WORLD

Visitors to Granby Bay Were Delighted with Scenic Splendor of the Trip.

Messrs. W. J. Magrath, W. T. Gibbard, B. A. Holgate, F. J. Whitcroft and F. L. Smith, who visited Prince Rupert for the first time on Saturday, took the trip to Granby yesterday, returning south this morning. The entire party expressed themselves as more than delighted with the scenery between here and Granby and were astonished at the amount of work that has been done at the new smelter city in such a short space of time. Both Mr. Magrath and Mr. Gibbard, who have travelled extensively and have visited nearly every continent, said that the scenery between here and Granby eclipsed anything they had ever seen. It was a fitting climax, they said, to their entire trip to the coast. It is the intention of several members of the party to make the trip again this season, accompanied by their wives. Referring to the G. T. P. boat service, they said they could not speak too highly of it. Every officer and attendant seemed to be doing everything possible for the comfort and pleasure of the passengers. It seemed almost as if the staff were trying to make each passenger a permanent booster for the line.

FISHING INDUSTRY NOTES.

Bad Weather Interfers with Work —Catches Are Small.

The gasoline trawler Borealis, owned by the Atlin Fisheries, Ltd., brought in about 36,000 pounds of halibut on Friday, representing about four days actual fishing.

The Andrew Kelly, of the Canadian Fish & Cold Storage Company's fleet, arrived in port Saturday with 92,000 pounds of halibut.

The Haysport No. 1 brought in about 5,000 pounds yesterday after a rather strenuous trip. Disabled off Rose Spit, she drifted toward Ketchikan, but repairs were finally made, enabling the vessel to return to Prince Rupert.

Harry Sheere, manager of the fishery department of the Skeena River Syndicate, is in the city from Haysport where the company have their local headquarters.

KING OF MONTENEGRO IS STILL DEFIANT

Is Today Marching to Scutari and Intends to Hold It as the Capital Unless Bought Off.

(Special to The Daily News.)

Salonika, April 28.—There were great preparations under way yesterday for King Nicholas and his family and official staff to proceed to Scutari today, the King having decided to make that city the capital of his country and his future home. He has determined not to obey the mandate of the powers to vacate under any circumstances. But to make it a habitable city he will have a big repair bill to meet, as during the six months' seige of Scutari all the important buildings were demolished by Montenegro's shells.

May Be Bought Off.

Vienna, April 28.—The powers agreed yesterday that Montenegro must vacate Scutari. King Nicholas flatly refused to give up the town. It is believed that he might do so for a monetary consideration.

SPLENDID FOOTBALL SATURDAY EVENING

Second Avenue Was Crowded on both Sides With Wildly-Yelling Fans

As was anticipated, the football game on Saturday evening, between the Callies and a picked team playing under the name of the "G. T. P. United," proved an exciting and close contest, and the game hung in the balance until the final blow of Referee A. Holmberg's whistle, the result being a win for the "United" by 3 goals to 2.

From the kick-off it was evident that the game would be keenly contested, the play being carried from one end of the field to the other with regularity. The first goal fell to the "United" from an effective shot from Sam Currie. Nettled at this reverse the Callies settled down a little and were not long in equalizing. Shortly before half time, from a foul off Murray, Sam Currie again put his team in the lead and at half time the score was 2 to 1 in favor of the "United."

On resuming the Callies at once carried the play into their opponent's territory and were unfortunate on several occasions in not getting the equalizer. Towards the end of the second half the "United" scored their third goal, Patterson, the Callie goalkeeper, mis-judging the ball. Both goals were visited in turn and Williscroft put the Callies up one with a fine shot. Both teams played a fast game, the Callies striving hard to get the equalizer, but could not break through the stubborn defence of their opponents. Final result "G. T. P. United" 3; Callies 2.

For the "G.T.P. United" Sam Currie was easily the best man on their team and play ed a good game.

The Callies never seemed to settle down, and appeared all too anxious to score. Dick, at back, played a strong defensive game.

Alex. Holmberg had charge of the game and proved an efficient referee.

The teams were as follows:

Goal—Patterson.

Backs—Martin and Dick.

Half Backs—Murray and J. H. Kelly.

Forwards — Stewart, Williscroft and McLean.

The G. T. P. will be represented as follows:

Goal—Munro.

Backs—J. Currie and Hamilton.

Half Backs—Murray and Guer.

Forwards—S. Currie, Gilmour and Wiggins.

LOCAL MERCHANT WEDS A SEATTLE LADY

J. Grossman and Bride Will Return to the City in a Few Days.

A marriage of interest took place in Seattle at the home of Mr. and Mrs. M. Goodglick last Thursday evening, when their daughter Anna was united in marriage to Mr. I. Grossman of Prince Rupert, B. C. The ceremony was performed by Rabbi H. Genss. The bride was gowned in white satin. The veil was caught with a wreath of orange blossoms and a bouquet of bridal roses was carried.

The bridesmaids were Miss Rebecca Goodglick, sister of the bride, and Miss Sada Friedman. They were dressed in pink crepe de chine, draped with chiffon, and carried bouquets of pink carnations tied with rows of pink satin ribbon. The groom was attended by Mr. Leo Finegold.

The rooms were beautifully decorated with a profusion of spring flowers and potted palms effectively arranged in jardiniers. Small shaded electric lights intertwined with greens were prettily strung about the rooms. In the reception hall Berman's orchestra furnished appropriate music throughout the evening. The large verandah was also massed with native greens and palms and tiny shaded lights formed an arch to the entrance of the home. Supper was served in the dining room to forty-five guests. Dancing completed the enjoyment of the evening. Mr. and Mrs. I. Grossman left for a trip to San Francisco and will be at home after May 1 in Prince Rupert, B. C.

D. A. McKinnon, of the firm of Anderson & McKinnon, contractors, left this morning on a business trip to Vacouver. He will return in a week or ten days.

SATURDAY AFTERNOON MUSICAL RECITAL

Mrs. Carpenter's Young Pupils Gave Pleasing Recital at Mrs. McMullen's.

Mrs. Carpenter's litle pupils gave a most pleasing piano recital at Mrs. J. H. McMullen's residence on Saturday afternoon. All the children acquitted themselves most creditably and it would be hard to make a comparison. The progress of the children in the last six months has been simply marvellous. Ottawa, April 28—The big government dry dock, which has been the subject of such strong pulling between Victoria and Vancouver, will go to Esquimalt. BELGIUM'S POLITICAL STRIKE WON BY MEN

Government Weakened and Gave Assurance That Measure of Manhood Franchise Would Be Passed.

(Special to The Daily News.)

Brussels, April 28.—All the strikers in this city are going back to work this morning and the two to three hundred thousand strikers all over the country will go back to work as soon as information reaches them that the strike is over. The men have won a clean victory without violence. The government has backed down, in face of the two millions a day that the country was losing because of the cessation of industries. The men have not obtained a pledge from the government that universal manhood suffrage is to be immediately brought about, but the government has promised a modified manhood franchise which may be broadened from time to time. This the men have accepted and are pleased with the victory. They look upon it as the opening wedge for political liberty.

PLENTY OF MONEY FOR BUYING DEBENTURES

Money May Be Tight in London, but in the Industrial Centres of of England Is the Reverse.

Frank A. Ellis, resident manager of the Prince Rupert Town Properties, a company of almost exclusively London capitalists, this morning received advices from London that although the money market in London was, as our despatches stated, very tight and the London Stock Exchange showing a lowering tendency, there was plenty of money for investment in the provinces. In such industrial centres as Manchester, Birmingham, Liverpool and Glasgow money was particularly plentiful because of the recent boom in trade. He was given to understand that the manufacturing centres had not experienced such a profitable time for many years, the trade having increased literally by leaps and bounds.

Mr. Ellis adds that he himself has not ever before received so many enquiries as to Prince Rupert realty as he is receiving lately from the British provinces, and he hopes to announce some important deals shortly. Money, he adds, may be and probably is tight in London, but in the provinces there are heaps of it looking for investment. Mr. Ellis is a Midlands chap himself, and therefore something of an authority from his voluminous correspondence.

Skeptics Laughed at Him.

A few years ago people said "there is a man trying to telegraph through the air." Today these same people laugh at the ignorance of the "yahoos." To see with the eye of the mind a thing completed in advance of its actual completion is to have imagination to conceive the conditions of its operation. The possible drawback is foresight. But the people of Prince Rupert all have had the foresight to take advantage of Renworth & Jefferson's great boot and shoe sale. This cash raising bargain sale will last just two weeks longer with far lower prices. Think it over. It will help your pocketbook. We are putting the whole store on display. All new styles still lower. End sizes and slow moving styles way, way below cost. We need money, you need shoes. 99

EASIER MONEY NOW IN LONDON MARKET

Expert Say that the Stringency is Passing Away and That Worst is Nearly Over

London, April 26—The highest financial authorities here say that the signs are that the worst is over in the money market.

"There is," says the well informed editor of the Pall Mall Gazette, "a good time coming for Throgmorton St., although one can not yet put a date on it. The expectation is largely based on the slackening of the trade boom. The curtailment of plans in the manufacturing world, if it continues, will result in profits being increasingly released from business to be used for stock exchange investments. The results in the Grand Trunk and the Maisoneuve issues prove, however, that the happy time has not yet arrived. The underwriters were saddled with eighty per cent. of the former and fifty per cent. of the latter, although the latter was offered at five per cent.

THE SOFTEST SNAP BOWSER EVER SAW.

Apropos of a despatch which was published in the Daily News of yesterday, to the effect that the Kitsilano Indians had ceded the lands on their reserve to the Provincial government, there is a telling cartoon in the Vancouver Sun entitled "The Artful Mendicants at Work." It depicts Sir Richard as a brokendown beggar with a placard labelled "Estimated Expenditure for Year $17,000,000," and as saying to a personified Resources of the Province "What! You won't help us again?" Behind Sir Richard and tugging at his coat tail is the omnipresent Bowser, who whispers, "Quiet, Dick; here's the softest snap you ever saw." Back of him is a figure of Lo, the poor Indian, bearing the placard: "Kitsilano Reserve, $7,000,000." Pictures are more forceful than words sometimes.
