ARE YOU "MEAT WISE ?"

To economize on Meat, be "MEAT WISE"—make it a point to know what cuts will give best results at the least price. Learn the cuts of meat by name and ask for them by name. That will enable us to give you exactly what you want, and enable you to save money on your meat bills.

Ask us for information on meats and their cuts. Tell us what you want to do with it and we'll tell you honestly which is the best to buy—whether it reduces our profit or not.
