LOCAL NEWS NOTES

Dance, Moose Hall, May 24. tf

Mrs. Charles E. Starr sailed yesterday afternoon on the Catala for a trip to Seattle.

Mr. and Mrs. Alex McRae sailed yesterday on the Catala for a trip to Vancouver, Mr. McRae being on business.

If your elected representative is brainy enough to get into the provincial cabinet he is compelled by his office to be an absentee in Victoria. Conservatives assert that Evitt will never be an absentee. tf.

Harold Macdonald, formerly of the Bank of Montreal staff here and now located at Vernon, arrived in the city on the Prince Rupert this afternoon from the south to spend a holiday visiting his parents, Mr. and Mrs. S. D. Macdonald.

If the C.C.F. give the franchise to Orientals as advocated by Woodsworth and Telford, what will happen when we are called upon to vote on the question of allowing Japanese encroachment upon our fishing grounds? tf.

Ronald Allen, formerly of the Bank of Montreal staff here and now located at Kimberley, arrived in the city on the Prince Rupert this afternoon from the south to pay a visit here with his parents, Mr. and Mrs. J. D. Allen.

The Conservatives admittedly cannot win, either here or in the province. Why then vote for the Conservative candidate, thereby increasing the risk of electing a C.C.F. tf.

J. H. McClinton and J. O. Williamson gave an interesting autobiographical talk at the regular weekly luncheon of the Prince Rupert Gyro Club today. Dr. H. N. Brocklesby, the president, was in the chair and there was a good attendance of members with a few guests. Mr. Williamson was initiated as a new member with D. G. Borland in charge of the ceremony.

Kenneth Smith is in receipt of an invitation to attend a special service to be held in Christ Church Cathedral at Vancouver next Sunday in connection with the commemoration of the arrival just fifty years ago of the first transcontinental Canadian Pacific Railway train in Vancouver from the East. Mr. Smith was a resident of Vancouver when that epochal event occurred.
