U. S. IS REPEALING GOLD STANDARD

MACKENZIE KING URGES PROPORTIONAL REPRESENTATION

Redistribution Bill Under Consideration By House of Commons

Motherwell Makes Personal Attack Upon Premier Bennett and Refers to Him as Future Earl, Suggesting Title of "Lord Gerrymander"

OTTAWA, May 26: (Canadian Press)—During debate on the Redistribution Bill in the House of Commons last night, Hon. W. R. Motherwell, former Minister of Agriculture, made a personal attack upon Premier R. B. Bennett to whom he referred as a prospective earl and suggested the title "Lord Gerrymander." Rt. Hon. William Lyon Mackenzie King pledged the Liberal party to introduce proportional representation system of voting in cities and larger municipalities should his party be returned to power.

DROWNED AT GRAND FORKS

Jean Donaldson, Aged 22, Victim of Car Accident on Night of Victoria Day

GRAND FORKS, May 26: (Canadian Press)—Jean Donaldson, aged 22, was drowned when a car in which she was riding collided with another and plunged fifty feet into the Kettle River, a mile east of here, late Wednesday night.

Helen McParlon and two male companions escaped through opening the car door and swimming to safety.

AMERICANS WIN TENNIS

WASHINGTON, D.C., May 26: (Canadian Press) — The United States won both singles matches in Davis Cup tennis play yesterday against the Argentine. Ellsworth Vines defeated Adriano Zapha 6-2, 6-3, 6-4 and Wilmer Allison defeated Hector Cattaruzza 6-2, 6-4, 6-3.

ADMIRAL OF FLEET DIES

Lord Wemyss, Who Signed Armistice For Great Britain, Passes Away at Cannes

CANNES, France, May 26: (Canadian Press)—Admiral of the Fleet, Lord Rosslyn Erskine Wemyss, G.C.B., C.M.G., M.V.O., who signed the Armistice for Great Britain, died here Wednesday. He gained fame as commander of a squadron which landed troops at Gallipoli in April 1915 and was at the evacuation there.

Lord Wemyss, who was born in 1864, entered the Navy in 1877, and was made a captain in 1901 in which year he commanded the Ophir on which the King and Queen, (then the Duke and Duchess of York) sailed on a tour to the overseas parts of the Empire. He was made rear-admiral in 1911, vice-admiral in 1916 and was First Sea Lord from 1917 to 1918.

WAS MOTHER OF SPEAKER

Mrs. Margaret Ann Bedell Black Passes Away in Vancouver at Grand Old Age

VANCOUVER, May 26: (Canadian Press)—Mrs. Margaret Ann Bedell Black, aged 91, mother of Hon. George Black, Speaker of the Canadian House of Commons, died here on Wednesday night. She was born at Woodstock, N.B., of United Empire Loyalist stock and was the relict of the late William A. Black, who died a few months ago at a great old age.

PASSING OF BOTTOMLEY

Founder of "John Bull" and Once Popular Figure in British Public Life Died Today

LONDON, May 26: (Canadian Press)—Horatio Bottomley, founder of the weekly "John Bull" and at one time a very popular figure in British public life, died today at the age of 73 years.

A spectacular career of finance for Bottomley ended in 1922 when he was sentenced to seven years' imprisonment for converting to his own use $20,000 of funds he had helped to raise for war purposes.

Tom Mooney In New Fight For Freedom

Battling for freedom after serving 15 years of a life sentence in San Quentin prison for alleged participation in the bombing which took place during a Preparedness Day parade in San Francisco in 1916, and which he denies, Thomas J. Mooney once more stands trial in the Hall of Justice, San Francisco, upper right. He won the right to be tried on an old indictment which never has been dismissed. Photo of Mooney, upper left, shows him as he looks today; lower left, District Attorney Matthew Brady, left, and Frank P. Walsh, right, defence attorney; lower right, Judge Louis H. Ward, presiding. Mooney's trial opened Monday of this week when he pleaded not guilty after which a jury was empanelled to hear the case which is now proceeding. Mooney, who has been in penitentiary ever since 1916, hopes this trial will clear the way for a pardon.

President Roosevelt Orders Important Measure With View To Stabilizing of All Money

To Go Off Standard by Statute—Legislation Will Have Far-Reaching Effect Upon World Currencies—Payments in Yellow Metal to be Generally Stopped

WASHINGTON, D.C., May 26: (Canadian Press)—President Franklin D. Roosevelt announced today that it had been decided that United States should go off the gold standard by statute. The President requested Chairman Steagall of the House of Representatives banking committee to introduce a resolution to place the country off the standard by law. Later Steagall told newspapermen that the decision "repeals the Gold Standard Act," adding that, under the resolution, no bonds and no obligations of the United States government of any form would have to be paid in gold or gold currency after enactment of the measure. He said it would be also possible for foreign debtors to pay the United States their war debts in any legal money.

In addition, Steagall said the law would make it unnecessary for the President to devaluate the gold dollar under inflation provisions of the Farm Relief Act. He said that the measure was one of the greatest steps towards stabilizing money in the United States.

First step in a series of operations authorized under the inflation act was taken with the authorization by the Federal Reserve Board of the purchase of $25,000,000 of government bonds.

Played Prominent Part in Bringing On Church Union

TORONTO, May 26: (Canadian Press)—Rev. James Pedley of the United Church, who played an important part in bringing about union of the Methodist, Presbyterian and Congregational churches in Canada, died here Wednesday night at the age of 78.

SILVER AND COPPER ON NEW YORK MART

NEW YORK, May 26 (Canadian Press)—Silver closed at 33½c. on the local metal market yesterday. Copper was firmer, closing at 7c. to 7¼c. Today's closing prices were 33¼c for silver and copper was un-

Vancouver Wheat

VANCOUVER, May 26 (Canadian Press)—Wheat was quoted at 59⅞c on the Local Exchange yesterday. Today's price was 60⅝c.

STORM IN MANITOBA

Electrician Killed at Morden on Wednesday When Power House Is Struck

MORDEN, Man., May 26: (Canadian Press)—A tornado and cloudburst on Wednesday caused a loss of $100,000 in Southern Manitoba.

Leroy R. Scott, electrician, was killed when a thunderbolt struck the main switch of a power station here.

CROPS IN GOOD WAY

Precipitation of Past Week Provides Ample Moisture For Some Time

Seeding Near Done

Sewing of Grains Needs to be Finished Only in Northern Areas

WINNIPEG, May 26:—During the past week precipitation varying from heavy rains to torrential downpours have fallen over practically the whole of the grain growing territory with the result that there is ample moisture for some considerable time, according to the weekly crop report of the department of agriculture, Canadian National Railways. In some low lying districts it is expected that some damage will result from flooding while, in newer districts in the park belt area where spring was late, seeding is from seven to ten days behind a normal year.

With the exception of the northern districts of Saskatchewan and the central districts of Alberta wheat seeding is fully completed and a few days of drying weather will see the last of the wheat reach the seed bed.

In Southern Manitoba the heavy rains have been a Godsend as they arrived after a spell of ideal conditions for grasshopper hatching. The rains, being so continuous and heavy, should materially assist in reducing this menace. Early sown wheat is up everywhere from three to five inches and growth is even. Varying amounts of barley and oats have been seeded as most farmers were delaying this phase of work until the wild oats and other weeds got a start. With a spell of warm weather following these rains, weed sprouting should be rapid and coarse grain seeding operations will destroy many young weed plants.

In the Dauphin and Swan River areas growing conditions have been ideal and farmers are optimistic.

Cool in Saskatchewan

Over the whole of Southern Saskatchewan weather has been cool with heavy rains which have delayed seeding of coarse grains but which have made farmers jubilant as the precipitation has been the heaviest and most continuous for years.

In the Weyburn district a strip of hail broke a large number of window panes but no crops were in a condition to be materially affected by the scourge.

From Central and Northern Saskatchewan come reports of cool, showery weather. Wheat seeding is practically completed and seeding of coarse grains well under way but now delayed for a few days.

There is ample moisture for all requirements and warm weather is now needed to hasten growth. Early sown wheat is showing well above ground.

The whole of Alberta also reports blanket rains which have delayed seeding.

In South Central Alberta along the Goose Lake line, wheat seeding is about 90% completed and from 20% to 25% of the coarse grains have already reached the ground. Moisture conditions are satisfactory and farmers consider the present situation ideal.

Along the Unity, Viking, Vegreville, Blackfoot subdivisions in Central Alberta from 70% to 90% of the wheat is now seeded and the early sown wheat is showing well above ground. The snow and rains

(Continued on Page Four)

WARSHIP TO VISIT HERE

H. M. S. Dragon to Spend Almost a Week Here in August, Commissioner is Advised

City Commissioner W. J. Alder has received official notification that H. M. S. Dragon of the America West Indies squadron of the Royal Navy will pay a visit to Prince Rupert in August in the course of a coast cruise. The light cruiser, which was last here two or three years ago, will arrive here on Wednesday, August 9, and remain until Tuesday, August 15.

The visit of the warship, the official notification points out, will be of "an informal nature and it is hoped that local officials and residents will not feel themselves called upon to incur expense in entertaining. For the same reason any entertainment offered by His Majesty's Ship will be on quite a small scale."

DEVELOPING PROPERTY

Clay Porter Tells of Plans For Season on Argentine—Importance Of Economic Conference

Clay Porter, well known pioneer mining operator of the Portland Canal district, who has been here a couple of days while on his way to Stewart after spending the winter in the south, believes that the forthcoming world economic conference in London may have a far-reaching effect upon the mining industry of this district, particularly if it accomplishes something in the way of stabilizing the price of silver at a higher level than it at present enjoys. In the Portland Canal district, for instance, there are a number of properties merely awaiting the price of silver to reach 40c or 45c per ounce before going into production. Among such properties is the famous Porter-Idaho property of which Mr. Porter was the former owner and which is now controlled by the Premier Gold Mining Co. but in which he is still heavily interested. The Porter-Idaho, as is well known, is a proven mine, all equipped to go into production on a big scale.

As for his own activities during the coming season, Mr. Porter states that he plans another season's development of the Argentine property in which he became interested in 1929. Unless there is an early improvement in the silver price, however, no shipments from this promising property will be made this year. The Argentine lies at an elevation of 4000 feet on the mountain beyond Dunwell and can be seen from Stewart. It is a silver-lead-zinc property. Supplies have to be packed into the property and ore packed out, making transportation quite a costly matter.

Mr. Porter arrived in the city Wednesday morning on the Prince George from Seattle and will sail tonight on the Prince Rupert for Stewart.

DAILY EDITION Friday, May 26, 1933

THE ONLY HOPE

L. M. Howe, the man who is supposed to be closer to President Roosevelt than any other man in the United States, writes in the American Magazine a very interesting article on "Balanced Government." In it he traces the growth of government control—first, farmer control, then industrial control and finally financiers' control. He urges that there should be a balance of these three and that, to bring about the balance, it is necessary to improve the condition of the farmer who was the hardest hit of the three in the depression. The industrialist cannot succeed unless the farmer is prosperous and the financier cannot succeed unless both the others prosper.

An interesting statement in the article is "In the times in which we live experiment is indispensable. Bold ventures into the untried have built up America until it is the richest and most powerful nation in the world.

"A balanced government would mean a government as nearly proof against cycles of panic or inflation as possible. In the past we have had periods of apparent prosperity, but experience has proved these really to have been periods of prosperity only in some particular class at the expense of the other classes, a kind of prosperity which we have learned is foredoomed to be succeeded by an era of depression and confusion."

The writer of the article says that, to achieve such a condition as he suggests, the majority of the legislators must be "liberal" in their politics. He declares that in government there is a natural division between those who believe it is wise to hold fast to what we have and those who think that new elements, new problems, require new things in government. The supporters of Mr. Roosevelt believe that, in the last United States election, the voters of the country definitely aligned themselves into the natural political divisions "Conservative" and "Liberal"—the normal grouping of human thought. In November there came to the Democratic ranks an enormous number of voters who believed that a liberal party, willing to try new things, was the only hope of economic salvation. He thinks this division of the people will be permanent.

TUNE IN NEW AGE

Very. Rev. J. B. Gibson is Speaker at Rotary Club Luncheon

"Tune in with the spirit of the new age and thereby unite with the forces and the power which must necessarily survive," urged Very Rev. J. B. Gibson, Dean of St. Andrew's Cathedral, in addressing the Rotary Club at its luncheon yesterday. He urged that service was the law of human life. By the application of the Golden Rule would economics be adjusted, goods and services be rendered more easy of access and the soul be made more free for its divine purpose than has hitherto been possible.

The Dean reviewed the growth of present civilization, showing that very little real progress was made from the time of Abraham to the time of Queen Elizabeth. Since then changes had been marvellous. In all the changes that had taken place it had to be recognized that evolution was the controlling force of the planet. We could not say the present was the culminating point in progress. Other forces would be harnessed and there would be still greater progress.

"Recognizing that great and fundamental changes are imminent and imperative, it should be recognized that the day of manual labor is nearly over," declared the Dean. "The work of the world will be done in fewer hours per day and fewer days per week."

The speaker urged the safe and wise course of keeping in tune with th spirit of the age. A spiritual revolution was going on and, consequently, a spiritual solution was required. Service was the highest expression of man's mutual relationships and the keynote of the coming age. "To believe and act in the belief that the other fellow is as important in the scheme of things as we ourselves are will call for the highest conception of service we have yet formed," said the Dean. "The present crisis is a challenge, an imperative call for personal effort to bring our own lives into accord with the forces that must prevail.

VICTORIA DAY DANCE ENJOYED

Affair Staged Wednesday Night by Moose Lodge Drew Big Crowd Of 250 Persons

There were some 250 persons present Wednesday night at the Victoria Day dance of the Moose Lodge which was a highly successful affair. Dancing was in full swing from 1 p.m. until 2:30 a.m. with music by Mrs. J. S. Black's Orchestra and Joe Slaggard in the capacity of master of ceremonies.

At midnight delicious refreshments were served with catering in charge of Mrs. Ole Stegavig and Mrs. Peter Wingham.

The committee in charge consisted of A. K. Nelson, B. J. Bacon, Ted Rorvik, Andrew McDonald, Percy Cameron and D. C. Schubert. Presiding at the door was B. M. Simpson.

Baseball Scores

Boston 0; Chicago 3.
AMERICAN LEAGUE
St. Louis 2; Washington 7.
Detroit 3; Philadelphia 4.
Cleveland 3; Boston 2.

SOFTBALL POSTPONED

Owing to rain last night's softball league fixture between Grotto and Kaiens was postponed.

LEGION IS VICTORIOUS

Defeated Regiment 6 to 3 in Football Game Tuesday Night

In a match which was marred somewhat by fighting and rough tactics, Canadian Legion defeated Regiment by a score of 6 to 3 in Tuesday night's Gilhuly Cup football game. During the game Hill of the Regiment and Gilker of the Legion were banished from the field for fighting while Smith of the Regiment and Dickens of the Legion had to be warned to desist from hostilities.

Goal scorers were:

Canadian Legion—Sonny Dickens 3; Bantie 2; Comadina, 1.

Regiment—Christison, 1; Edgcumbe, 1; Davies, 1.

J. A. Johnstone was referee.

Owing to rain last night's fixture between Canadian Labor Defence League and Canadian Legion was called off.

TENNIS TEA

The pupils of the High School are giving a tea tomorrow afternoon in the I.O.D.E. hall for the purpose of raising funds to build a tennis court at the school. They are hoping to see a large number of their friends and those interested in the project they have in hand. 122

Game Warden Ed. Martin sailed last night on the Prince George for a trip to Vancouver on official business.

General Meeting Prince Rupert Ratepayers' Assoc. will be held in City Hall, Friday, May 26, at 8 p.m. Commissioner W. J. Alder will address the meeting. All ratepayers cordially invited. 122

NO MORE SICK HEADACHES

Fruit-a-tives end years of pain

"I suffered exceedingly with indigestion and sick headaches for years. I could hardly eat anything and was badly constipated. I realize now, of course, that I was in a very run-down condition. Fortunately for me a neighbor recommended 'Fruit-a-tives' and I began taking them. I am certainly glad I did. They regulated my system and toned me up generally so that now I am in the best of health. I would not hesitate to recommend them to anyone."

Fruit-a-tives . . . all drug stores

Dr. Eric W. Boak, well known physician and surgeon of Victoria, will be here aboard the steamer Princess Norah tomorrow making the round trip to Skagway. It is understood there will be a number of other medical men from the south making the round trip on the vessel.

YOUR LIVER'S MAKING YOU FEEL OUT OF SORTS

Wake up your Liver Bile —No Calomel needed

When you feel blue, depressed, sour on the world, that's your liver which isn't pouring its daily two pounds of liquid bile into your bowels.

Digestion and elimination are being slowed up, food is accumulating and decaying inside you and making you feel wretched.

Mere bowel-movers like salts, oil, mineral water, laxative candy, or chewing gum, or roughage, don't go far enough.

You need a liver stimulant. Carter's Little Liver Pills is the best one. Safe. Purely vegetable. Sure. Ask for them by name. Refuse substitutes. 25c. at all druggists. 52

Rev. H. T. Allen, United Church pastor at Terrace, who has been attending the annual conference of the United Church of Canada in Vancouver, arrived in the city from the south on the Prince Rupert this morning and will proceed by tonight's train on his return to the interior.

Capt. C. W. W. Wearmouth, who came north this week as pilot on board the Imperial Oil Co.'s tanker Albertolite, which sailed for San Pedro via the outside waters after discharging a cargo of fuel oil for the company here, sailed by the Prince George last night on his return to Vancouver.

Albert Farrow, steamboat inspector, arrived in the city on the Prince Rupert this morning from Vancouver and is making an inspection today of the lighthouse tender Birnie which has been receiving repairs and overhaul at the local dry dock. Mr. Farrow will sail on the Princess Norah tomorrow morning for Skagway enroute to Whitehorse where he will make his annual inspection of Yukon River boats. He expects to be about three weeks in the north

Fred Dingwell of this city will be leaving shortly to take a cannery position down the coast for the summer. He is at present on a trip to the Skeena River.

John W. Allen, superintendent engineer for Dominion Fisheries, who has been conducting an inspection of local vessels applying for fisheries patrol work this season, sailed last night by the Prince George on his return to Victoria.

Gus Lundgren, well known pioneer Alaska miner, will be a passenger aboard the Princess Noral, tomorrow morning leaving here on his return to his home at Wrangell after having been a visitor in the city during the past week or so.

Hugh Boswell of Smithers, who has been in Vancouver attending the British Columbia Conference of the United Church of Canada, arrived in the city from the south on the Prince Rupert this morning and will proceed to the interior on tonight's train.

Mr. and Mrs. Thomas Bradley sailed last night on the Prince Rupert for Vancouver where it is their intention to take up residence. They were married recently here, the bride having formerly been Miss Rose Antonelli, daughter of Mr. and Mrs. A. Antonelli of this city. Mr. Bradley, who has been here for the past few months has been taking an active part in the affairs of the Canadian Labor Defence League and other unemployed organizations.

CROPS IN GOOD WAY

(Continued from Page 1)

have retarded sowing of coarse grains and warm weather is now needed.

In Peace River

Rapid progress has been made with seeding operations in the Peace River territory and some districts report from 50% to 100% of wheat sown. The Peace River has just experienced a week of favorable weather and growing conditions are ideal.

A slackening of receipts on central stock yards has seen a week of active trading in all classes of handy weight butcher cattle. The same strength was apparent in fed yearlings and even heavy cattle found a ready demand at steady prices. The hog market continues to show unsettled prospects but there is every indication that the undertone will remain strong.

Another enjoyable dance was held last night by the Canadian Labor Defence League in the Exchange Block Hall, a good sized crowd being in attendance at the affair. Music was by a native orchestra and A. Rushwood acted as master of ceremonies. Refreshments were furnished by the ladies.

LOCAL NEWS

G. A. Edgcumbe, who has been on a brief business trip to Vancouver, returned to the city from the south on the Princess Adelaide today

W. H. R. Lows, rancher of the Telkwa district, arrived in the city from the interior on Tuesday night's train, bringing in a carload of Bulkley baby beef for delivery to the local abbatoir. He returned to Telkwa Wednesday night.

Mr. and Mrs. T. H. Johnson of this city, who are visiting in England, recently attended a Rotary Club convention in Scarborough, England, at which some 2,000 persons were present. Prince George was among those in attendance at the gathering.

C.N.R. steamer Prince Rupert, Capt. Neil McLean, arrived in port on time at 10:30 this morning from Vancouver, Powell River and Ocean Falls and will sail at 10 o'clock tonight for Stewart whence she will return here tomorrow evening and sail at 10 p.m. on her return to Vancouver via Ocean Falls and Powell River.

Arthur James Stewart, son of Mr. and Mrs. D. G. Stewart of this city, returned home on the Princess Adelaide today from Vancouver where he graduated last week from the University of British Columbia as a Bachelor of Arts. He was accompanied home by his mother who went south to attend the convocation.

C. V. Orme, assistant manager of a large sugar plantation on the Hawaiian Islands, and brother of Ex-Mayor C. H. Orme of this city, and Mrs. Orme, who have been visiting here for a couple of days, will leave on tonight's train for Ontario where they will revisit their native homes. They also intend to take in the World's Fair at Chicago and will return to Hawaii via California.

TWO FILMS AT CAPITOL

"Hat Check Girl" and "Humanity" Are Offered This Week-End

"Hat Check Girl," a comedy drama with Sally Eilers, Ginger Rogers and Ben Lyon in the featured roles, and "Humanity," a new drama of sacrifice and devotion, in which Boots Mallory, Alexander Kirkland, Ralph Morgan and Irene Ware are starred, are the two features of a double picture bill being presented this week-end at the Capitol Theatre here.

The night life of Broadway, the loves and sorrows of the girls who work on the Great White Way, the glitter and noise of the smart night clubs and the dreary emptiness of Times Square at dawn form the colorful background of "Hat Check Girl." Lyon has the part of a Park Avenue playboy, Miss Eilers that of a working girl.

"Humanity" is the story of a young doctor who, blind to the ideals of a physician father, sells his honor for easy money and a life of luxury with a sophisticated and rich divorcee who lures him from his sweetheart. The picture has a dramatic ending that combines sadness and happiness.

You will make lighter pastry, tastier desserts with ST. CHARLES!

Don't take our word for it, prove it yourself—order a can of Borden's St. Charles from your grocer and use it whenever the recipe calls for milk. You will find that St. Charles will give a bland creaminess, a fresh, rich flavor to your cooking that your family will immediately appreciate.

St. Charles is rich, creamy milk, wholesome as nature made it with nothing added and 60% of the natural water removed. It is sterilized after being sealed in the tin to assure perfect sweet flavor and absolute purity.

That is why Borden's St. Charles Milk tastes so fresh and sweet—why it improves the flavor of all recipes where you would usually use milk. St. Charles IS better—ask for it—use it—and PROVE it.
