### Herring Seining in Harbor is Closed—Norco Here With Fish From Ketchikan—Grain Boat Approaching

Herring seining in Prince Rupert Harbor is being closed as from 6 o'clock this evening until further notice, it is announced at the office of the Department of Fisheries. The order is made so that there will be no danger of depletion of the fish, it being considered that sufficient herring has now been taken from the harbor for all reasonable purposes. It is not expected that the closing of fishing for herring in the harbor will seriously interfere with the supply of fish for the reduction plants and other purposes. The fish, it is expected, will be available in nearby outside waters. During the past few weeks the herring have been taken for the reduction plants at Port Edward and Tucks Inlet as well as for bait supply of the Canadian Fish & Cold Storage Co. and Northern Fishermen's Cold Storage. The Bacon Fisheries have also been taking the fish for kippering. The deepest seines that have been used in the harbor for herring seining have been thirty fathoms, it is officially stated.

Northland Transportation Co.'s motorship Norco, Capt. B. I. Joyce, arrived in port at 9:40 this morning from Ketchikan and, after discharging one carload of frozen fish for transshipment East over Canadian National Railways, sailed in continuation of her voyage to Vancouver and Seattle. The Norco, which has not been here for some time, is taking the run of the steamer North Sea between Seattle and Alaska.

C.N.R. steamer Prince John, Capt. Neal McLean, is due in port at 11:30 tonight from a special voyage to Anyox and Stewart and will be sailing tomorrow morning for Vancouver via the Queen Charlotte Islands.

Capt. Dan McKinnon arrived in the city on the Princess Adelaide yesterday afternoon from Vancouver, being here to act as pilot of the British motorship Moorby which is coming early next week to load a full cargo of grain from the Alberta Wheat Pool's local elevator for the United Kingdom or Continent—The Moorby is coming here from the Atlantic Coast via Panama Canal where she passed December 3. A second grain boat is due here December 28 but her name is not yet available.

Nelson Bros. Fisheries Ltd. seinboat Western Star, which has been fishing herring in Prince Rupert Harbor for some time, sailed yesterday on her return to Vancouver. The vessel took down the coast with her a load of herring which will be dropped off at the B. C. Packers' reduction plant at Namu.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, arrived in port at 4:30 yesterday afternoon from the south and will sail at 10 p.m. on her return to Vancouver and waypoints.

## LOCAL NEWS

Mrs. James Denholme and son of Tlell are paying a brief visit to the city. They arrived on the Prince John yesterday from the Islands and will be returning home on the same vessel tomorrow.

C. H. Mickelson, school teacher at Sunnyside, was among those sailing on the Cardena yesterday afternoon for Vancouver to spend the Christmas and New Year holidays.

Sitting in his capacity as a city council yesterday, City Commissioner W. J. Alder authorized the refunding of $2000 more of old city debentures for new, leaving only $2000 still to be converted of the city's entire refunding operation. First reading was given to a bylaw authorizing the payment of interest at the rate of five per cent per annum on advance payments of city taxes. November accounts totalling $28,776.90 were passed for payment.

### Attention Drawn to Another Line of Produce in Which Canada Is Getting Oriental Competition

VICTORIA, December 18 (Canadian Press)—The passage through here to the United Kingdom of 1,400 boxes of Jonathan apples grown in Japan draws attention to the possibility of Oriental competition to British Columbia producers in another line.

Sister Conrad, who has been at St. Joseph's Academy here, left at the first of the week for Toronto. Also going East was Sister Superior Isabel who will visit Winnipeg on business, returning to the city before Christmas.
