The Victoria-Phoenix Brewery had already been brewing one of the world's best beers for nearly a quarter of a century before that.

YANKS NOW LOOK SAFE

With Cleveland Indians Wavering, McCarthy Men Should Coast Down Home Stretch to Another Pennant

WASHINGTON, D.C., August 19 (Canadian Press)—The New York Yankies and Washington Senators shared honors in a double-header here yesterday and the Yanks added another half game to their already substantial margin of leadership in the American League since the second place Cleveland Indians were beaten by the lowly St. Louis Browns. The Yanks now have a lead of nine full games and with the season having only a month and a-half to go, they look pretty safe to coast down the home stretch to another pennant. The Indians have been pretty wobbly of late and there are some observers who believe they will be fortunate if they are able to prevent the Boston Red Sox from usurping second place from them. Their victory yesterday over the Indians put the St. Louis Browns into seventh place, the Philadelphia Athletics being left in the basement when they lost to Boston.

The National League situation remained substantially unchanged as a result of yesterday's play. Both the leading Pittsburg Pirates and the second place New York Giants suffered defeat, the former at the hands of the St. Louis Cardinals and the latter from the Brooklyn Dodgers. The Cincinnati Reds downed the Chicago Cubs and increased their hold on third place to one and a half games.

Yesterday's Big League scores:

National League

Brooklyn 5; New York 3.
Boston - Philadelphia postponed, wet grounds.
Cincinnati 9; Chicago 1.
Pittsburgh 1; St. Louis 5.

American League

New York 6-3; Washington 5-6
Philadelphia 0; Boston 2.
St. Louis 9; Cleveland 1.
Chicago 1; Detroit 5.

READY FOR BOAT RACE

Ten Model Yachts Are Entered for Sunday

The Prince Rupert Model Yacht Club completed arrangements at a meeting last evening for the handicap race on Sunday next for the David Todd Trophy. The race will begin immediately after noon from in front of the Royal Naval Volunteer Reserve headquarters and the boats will finish at the same point.

To date there are nine boats definitely entered and there is a possibility of two others entering. The owners are working on them and, if necessary, adjustments can be made the boats will sail. The handicaps are shown below and the arrangement is that the boat with the greatest handicap advantage starts first and the scratch boat last. The first boat to cross the finishing line will be the winner. It will be interesting to see the boats overhauling those with the bigger starts. The entries and their handicaps are as follows. The list mentions the boats in the order in which they start:

Annie Jenkins (11) 18 inches, 18½ minutes, Alma Hingston, A. Hingston.

Imp (10) 21 inches, nine minutes, H. Gawthorn, H. Gawthorn.

Jeep (6) 36 inches, eight minutes, David Todd, M. M. Lamb.

Britannia (8) 41 inches, seven minutes, J. McGreish, J. McGreish.

Saucy Lass (3) 50 inches, six minutes, D. Todd, S. Hingston.

Rupertia (9) 60 inches, four minutes, A. J. Croxford, A. J. Croxford.

Sheila (5) 60 inches, four minutes, Iain McRae, Iain McRae.

Maple (7) 61 inches, four minutes, O. Sather, (to be arranged).

Talisman (4) 70 inches, two minutes, A. J. Croxford, (to be arranged).

Saracen (2) 84 inches, scratch, A. J. Croxford, W. L. Sandison.

A special feature is the appearance of the Rupertia, the latest model constructed by the local designer and builder, A. J. Croxford. This is a particularly graceful model and the owner believes that it is the fastest boat in local waters. If it comes up to expectations it will probably be sent east to compete in the Toronto Exhibition competitions. Most of the models will be on exhibition in front of the Royal Naval Volunteer Reserve headquarters before the start of the race on Sunday afternoon.

Those in attendance at last night's meeting were Captain J. R. Elfert, A. J. Croxford, W. J. Sandison, H. Gathorn, S. Hingston, M. M. Lamb, J. McRae, J. McGreish, John Wilson and J. S. Wilson.

The list of officials will be announced tomorrow. The David Todd trophy for which the race is being run is on exhibition in the windows of John Bulger, jewllers and is a very handsome piece of silverware.

TO DEFEND HIS TITLE

Henry Armstrong's Next Battle Will Be In Welter Division

NEW YORK, August 19— Henry Armstrong, the fighting buzzsaw and the only man in history to hold three boxing titles at the same time, will defend his welterweight honors before he is rematched with Lou Ambers in the lightweight division. The fight will not be held before October or November, however, as it will be two months before Armstrong's lacerated lips will be sufficiently healed.

Legion Failed to Field Team But Exhibition Game is Played

Owing to some players being out of town on holidays and others working, the Legion was unable to field a full team last evening and defaulted the Gilhuly Cup football match to the Royal Naval Volunteer Reserve. However, a friendly game was played and a most enjoyable match was the result.

Neat combination between Currie, Armstrong and Dickens resulted in Armstrong scoring early. Later he added a second. In a breakaway Morgan scored. Dickens added a third and Cross then scored. Play was very open and fast with the forward line of the Legion well supported by Howe doing most of the pressing. Currie just missed heading in from Wilson's centre.

The second half was a free scoring period. Cross, Morgan, Eby and Bryant sharing goals for the R.C.N.V.R. and Dickens and Armstrong for the Legion. Altogether it was an interesting exhibition of the game and well worth watching.

Legion—Montesano; Vink, Ferguson; P. Fisher, Howe, J. Wilson; J. S. Wilson, Armstrong, S. Currie, H. Dickens, Roberton.

R.C.N.V.R. — Bird; P. Cameron, Ronalds, Eby, Davies, McMeekin; Bryant, Eastman, Cross, Morgan, A. N. Other.

Referee—F. H. Cameron.

While the final score was in doubt there was no scarcity of goals, and it is possible that Armstrong and Dickens made some kind of a record between them. Well supported by Sam Currie and at times by J. S. Wilson, the Legion forward was always dangerous. Howe was a great centre half and Pete Fisher did well. Ferguson and Vink played strongly at back and Montesano saved many a good shot.

The boys, Robertson and John Wilson, also did well.

For the Navy Eastman and later Bird in goal were given lots to do. Percy Cameron showed that he still has the skill that he had years ago. Ronald played his usual clever game but, while Eby, Davies and McMeekin defended well, they still do not part with the ball to the best advantage. Cross and Bryant were effective and Morgan showed that he can play forward to advantage though of course it is as a goalkeeper that he stars.

The Gilhuly Cup Football standings to date.
