You will make lighter pastry, tastier desserts with ST. CHARLES!

Don't take our word for it, prove it yourself—order a can of Borden's St. Charles from your grocer and use it whenever the recipe calls for milk. You will find that St. Charles will give a bland creaminess, a fresh, rich flavor to your cooking that your family will immediately appreciate.

St. Charles is rich, creamy milk, wholesome as nature made it with nothing added and 60% of the natural water removed. It is sterilized after being sealed in the tin to assure perfect sweet flavor and absolute purity.

That is why Borden's St. Charles Milk tastes so fresh and sweet—why it improves the flavor of all recipes where you would usually use milk. St. Charles IS better—ask for it—use it—and PROVE it.
