ACCIDENTS ARE FEWER

Marked Decrease in Number of Traffic Mishaps in Province This Year

VANCOUVER, Dec. 22: (CP)—Traffic accidents for 1938 in British Columbia are expected to show a marked decrease from last year.

For the first eleven months of the year there have been 92 traffic fatalities which is fifteen percent less than in the corresponding period last year.

Non-fatal accidents have numbered 2166 which is eleven per cent less than a year ago.

Inspector George Hood believes that the decrease in accidents is due to more general care being exercized by motorists with the thirty mile an hour limit also being a contributing factor.

Country Schools Are Closed Down After Christmas

Lack of Attendance Causes Sixteen To Be Discontinued in This Province

VICTORIA, Dec. 22. — Sixteen country schools in British Columbia will not reopen after Christmas owing to a drop in attendance the Department of Education announces. Skeena, Omineca and Prince George are among the districts in which schools will be closed because the attendance has fallen below the required eight.
