TERRACE

A meeting in the Church Hall on Tuesday was held for the purpose of organizing classes under the instruction of Dr. S. G. Mills, in St. John's Ambulance Society First Aid.

Some of the local skating enthusiasts have been working to construct an open air skating rink in Terrace Park. Up to the present their efforts have been handicapped by rainy weather but they have levelled an area of approximately 200 feet by 100 feet and have built a shelter alongside the rink. It is proposed to erect a fence around the area and the Village Corporation have helped them to the extent of supply water from the local water system.

C. Haugland is building a new residence on land adjoining Terrace Park.

Mrs. Ted Welch arrived Wednesday from Vancouver to join her husband who settled here some weeks ago.

News of Northern Districts

Q. C. CITY

A special meeting of the board of directors of the Skidegate Inlet General Hospital was called last Friday evening. The President, William Barry, was in the chair and all members were in attendance. Important matters, namely, the obtaining of a superintendent and the repairing of the hospital building were discussed. The secretary, Charles Hartle, reported that although several applications for the post left vacant by the resignation of Dr. McColl had been received, as yet no decision had been made. The board feels that in this important step it is justified in considering each application carefully. Every hope is felt that the position will be satisfactorily filled in the near future. It was decided to go ahead with the renewing of the hospital foundation and the repairing of the porch and steps as soon as supplies could be obtained, the work to be shared by several local workmen. John Karkle was appointed caretaker of the building until a new superintendent is installed. At the close of the business meeting the ladies on the board served coffee and refreshments to all present.

The Ladies' Auxiliary to the United Church held a special meeting last week, at the home of Mrs Gordon Joliffe. Miss Velma Fairbairn presided over the meeting. There were seventeen present. Materials to be worked for the coming bazaar were distributed to the members. The date for the sale was set for November thirtieth. At the completion of the business meeting two amusing contests were enjoyed. Delicious refreshments were served by the hostess, bringing the activities to a close.

In the severe wind storm of last Monday night the small trolling boat Margaret A., belonging to Dick Pallant, was rammed by the B. C. Packers dogfish scow which had torn loose from its moorings at the Queen Charlotte wharf. The small vessel filled with water and sank. Later it was towed to another float and will be repaired.

Mr. and Mrs. Terry Stewart celebrated their first wedding anniversary on Friday last and entertained at a small evening party to mark the event. Guests included Mr. and Mrs. Roy MacKenzie, Mr. and Mrs. Fred Atkins, Miss Ruby Tingley and several of the boys of the R. A. F. stationed at Alliford Bay.
