Mothers, follow this lady's example and use Buckley's Mixture when any member of your family has a cough, cold, grippe, bronchitis or whooping cough. She says:—"Last night my son, aged 11, was coughing terribly and could not get to sleep. I gave him a dose of Buckley's Mixture with honey and he slept the night through. This morning his cough is quite loose."—Mrs. B. Jones, Verdun, P.Q.

Smithers Hockey Players Making Trip to Prince George and Vanderhoof

SMITHERS, Jan. 31.—Part of the Smithers hockey team left Smithers by automobile on Monday morning and the remainder of the team left by Tuesday morning's train for Prince George where they will engage in a series of games with the Prince George team in their large new skating rink.

The local boys have heard all about the tricks that the Prince George team have been practising with the rounded corners in the new rink and they will be on the watch for these and hope to soon get onto the moves that will be necessary to checkmate them.

On the way back home they expect to play some games with the Vanderhoof team in Vanderhoof.

TOO WARM FOR SPORT

Springlike Weather Interferes With Hockey And Curling At Smithers

SMITHERS, Jan. 31:—With almost springlike weather in the Bulkley Valley during the past few days the snow started disappearing very rapidly under the strong rays of a bright sun.

Curling has been halted temporarily and the hockey game scheduled for Sunday afternoon had to be postponed.

In the Hanson Cup tournament in the local Curling Club about half of the games have been played and two rinks, those skipped by Ward Carey and Art Simpson, are tied for first place with four wins and one loss each.

In the Hockey League the Canadian Legion team is in the lead having gone so far thorugh the season without a defeat. The Telkwa team which has been playing strong hockey all winter has not been fortunate enough yet to win a game and can only count one drawn game to their credit although they have made all the other teams step lively in every game played.

Sherry Burchell, son of Mrs. Bob Frizzell, who has been attending the University of British Columbia at Vancouver, arrived in the city this afternoon on his way to the Allison Logging Company's camp on the Queen Charlotte Islands.
