Europe at War is Setting of "Arise My Love" Now Showing at Capitol Theatre

Romance in the clouds and in the Forest of Compeigne is included in the wild and thrilling love story of Claudette Colbert and Ray Milland entitled "Arise, My Love" which is the current feature picture on the screen of the Capitol Theatre here at present. The setting is Europe in 1939. Milland is off to fly with the English fighting squadrons. Miss Colbert is sent to Berlin to carry out the grim assignment of covering the war from the German side.

While stirring and amazing pages of history are being written, Miss Colbert and Milland are in the midst of exciting new events. They grow more sober but their love grows deeper as the picture draws them together again for a magnificent emotional climax.

The supporting cast is a good one including Walter Abel, Dick Purcell, Dennis O'Keefe, Esther Dale and George Zucco.

The speaker emphasized the need of improvement in legislation dealing with social security. The Social Service Act came in for special criticism. Among other topics vital to Canada the speaker mentioned the theory that Canada must export or perish, a false theory when one considered the percentage of unemployment that existed until the war caused an absorption of unemployed people of both sexes into industry tributary to the war effort. Chairman was Floyd Frank, president of the local C. C. F.

The Anglican Church Woman's Auxiliary of St. Matthews Church, Terrace, held the annual spring sale in the Orange Hall on Saturday. The tables for tea were tastefully decorated with Narcissi and red tulips and the affair was well patronized by the local people. Mrs. C. A.
