DRY DOCK NOW LEADS

Midlands Lost Basketball Thriller 43-40

Dry Dock basketeers are the league leaders after a thrilling game with Scholars, the final score being 30 to 17 for the shipbuilders. Paced by MacPhee, who scored 15 points, the Dry Docks proved to be a shade too experienced for the High School squad. It was speed, speed, all during the game with the Scholars trying hard to chalk up baskets. As a result they rushed a lot of their shots. Arney was outstanding on the school team. The win puts the Dry Dock in front in the Y.M.C.A. Service League with five wins in five starts.

The Midlands - United States Headquarters game was a thriller from start to finish with the winner being in doubt right up till the final whistle. The Midlands looked like a different team as they matched the flashy U. S. team basket for basket. But once again it was too much "Lefty" Moline. Lefty flicked in 29 points which is a new high in scoring this year. For the Canadian Army boys Hunt and Watson were the high scorers with 12 and 14 points respectively.

The Grenadiers nearly knocked over the apple cart as they played a far better brand of basketball than in previous games, losing out 37 to 21 to the Co-ops. The Co-ops looked like a ship without a rudder with the Grenadiers sifting through them to lead 17-13 at the end of the first half. The second half was a different story. The storemen started to play a little combination and at three-quarters time the score board read 28 to 19 for the Co-ops. The Co-ops were without the services of Veireck, Clough, and Sulman, those three being on the sick list. Vuckovich led the scorers with 13 points.

The men in uniform now eat from silver spoons. To conserve stainless steel for war material, spoons and forks used by the armed forces are silver plated on a special steel base.

WINNIPEG
