ENVIABLE RECORD—Research and Development Division at Watson Island pulp mill was honored Saturday night by Columbia Cellulose Company, Limited with a banquet at the Canadian Legion for having gone 1,462 days without a lost-time injury. CCC safety co-ordinator W. R. Collier congratulated the group on its excellent safety record and Dr. Desmond O'Meara expressed the appreciation of the employees for the company's action. -Staff photo by Gary Oakes.

New union files suit against international

VANCOUVER (CP)—The breakaway Canadian Ironworkers' Union Monday began suit against the International Association of Bridge, Structural and Ornamental Ironworkers for possession of the offices and assets of the international's Local 97 here.

The new union, formed last weekend by a nucleus of 200 ris till the end of the assize for members who withdrew from sentence. Local 97, named international The 12-man jury took 12 minpresident John R. Lyons and general secretary J. R. Downes was charged with rape of a 17-1 in its action.

More parolees

VANCOUVER (P)-J. Alex Edmison, Q.C., a member of Canada's new National Parole Board, said the board is making itself felt in British Columbia jails.

Mr. Edmison, who is now touring west coast institutions, reported Monday that in 1958 total of 76 prisoners were released on parole from B.C. jails. Last year, the first year of operation for the new board, 213

were released. Of those released, all but 3.7 per cent have made the initial Lamb of Okanagan Falls has culty Mr. Edmison said.
