British - Israelism Issue

EXPOUNDS DOCTRINE

Vancouver Speaker Predicts Natural Phenomena Will Help Victory in Final Battle

God will move with a mighty hand, shaking the foundations of the earth, to bring to pass His promise to His chosen people, to destroy their enemies and restore them regenerated to their kingdom, declared J. W. Parker of Vancouver, president of the British-Israel Federation of British Columbia, Saturday night at First Presbyterian Church in the second of a series of lectures here. Nature had already testified to the power of Almighty God in exercising His will in such incidents as the earthquake of Sinai and the tidal wave which had brought about the deliverance from Europe. There would come an earthquake in the land of Canaan when the hosts of Satan, trying to smash the hosts of Israel (British), would be destroyed as they attacked Jerusalem. Then Israel would be saved.

"Signs of the times," which was Mr. Parker's subject, placed the world in these latter days on the threshold of a new age when God would take matters into his own hands and bring to conclusion by His own will the issues He had set out at the beginning of the age of man. Britain and her great family of nations, including the United States, would be as one never to be separated again. Even in Prince Rupert today was evidence of God's forces banding together under the banner of the Cross for the new day when the law of God would be pre-eminent to the laws of man, when the basis of wealth would no longer be finance or power but human life and happiness, when real prosperity would be the enjoyment by people of happiness to the full of their capacity without hurt to any other.

There would be hard times and trials yet and the greatest war in history would be seen asserted the speaker, but the banner of the Cross would still be flying when all others had fallen and the Kingdom of Heaven on earth would be established with every person dwelling happily in Edenic perfection.

Mr. Parker's meeting was presided over by Very Rev. James B. Gibson, dean of St. Andrew's Anglican Cathedral, and Peter Lien presided at the organ. There was a fair-sized congregation.

RUSSIA IS DESCRIBED

Capacity Audience at Carpenters' Hall Hears Visitor to U.S.S.R. Give His Impressions

The story of how the Soviet Union prepared itself for the present struggle; its achievements in industrializing the former backward nation; the great strides it had made in raising the living standards of the people and a general account of life in Soviet Russia was given at the open forum in the Carpenters' Hall Sunday afternoon by Charles Biesick.

Mr. Biesick visited Russia shortly before the war and travelled through the European part of the Soviet Republic which has since become the great battlefield where Russia is grappling with the Nazi foe. He visited many of their big industrial centres, hospitals, collective and state farms and observed the Russian people at work and observed the Russian people at work and at play.

The capacity Prince Rupert audience, filling the Carpenters' Hall, was keenly interested in the speaker's account of the mighty nation. Many questions were asked of the speaker at the close of his address and some members of the audience took part in the discussion that followed.

The open forum, held every second Sunday at the Carpenters' Hall, was inaugurated by the Carpenters' Union as part of the educational program. It is open to the general public.

At the next open forum October 4, the speaker will be W. W. Lefeaux M.L.A. from Vancouver. The subject of his address will be announced later.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT, Hostess

It is nice to see Phil Palumbo back in town after a three months' absence. He reports that, while back in Seattle, he won fifty dollars for a dancing championship so watch for him girls at tonight's dance. We've seen him dance before and we mean dance.

Another wanderer returned to the fold is Warrant Officer Stanley Bichard of the Medical Corps. He has been away since February and it's a pleasure to see his nigh, wide and handsome face beaming at us again. His arrival coincides with the opening of the bowling alley, his old stamping ground.

The Dog Watch at the S.D.O. has taken on a grim and realistic significance now that the chief's dog Lucky is on watch with the Signalmen. And what a watch dog he is. It seems he took umbrage at something one of the lads said of him (or was it threw at him?) and the rest of the evening was spent by the men in merrily hopping from desk to desk out of Lucky's way.

Bob Gibson asks me to extend a cordial invitation to the young officers of the forces to come up and make free use of the Y. He feels, and so do I, that they are at a loose end with no adequate place to spend their leisure time and, if they are interested, we shall be only too happy to have them with us. We do have a good time and would like to share it.

The YMCA-YWCA staff had a get-together at Jock Morse's Saturday night as a farewell to Wilson McDuffie who is leaving for the south next week. We had a round robin of jokes or recitations in which each member had to come across with some gem. The highlight of the evening was when we were privileged to hear a dramatic rendering of "The Revenge," the tale of Hawkins' great seafight. The artist was, of course, Captain Guy Armitage.

DESCRIBED AS FICTION

Rev. A. F. MacSween Calls Theory Unsound and Incompatible With Christian Beliefs

Definite issue against the doctrine of British-Israelism and a strong reply to the preaching of J. W. Parker, exponent of that cult, was the feature of the sermon of Rev. A. F. MacSween, pastor of First Presbyterian Church, before his congregation yesterday morning. It was a vigorous repudiation of any belief that essayed to prescribe man-made distinctions of snobbery or racial superiority in the establishment of the Kingdom of God which was open to all races and peoples.

Mr. MacSween described British-Israelism as "pure fiction" and characterized as "wild tales" such fables as the Coronation stone having been brought to Ireland by Jeremiah and the various theories as to the western migration of the Ten Tribes of Israel. The silence which now surrounded the theory that King Edward VIII, the one-hundredth in line from Solomon, would be crowned "David" was something to be noticed.

The British-Israelite theory, declared Mr. MacSween, was unsound not only historically and scientifically being described as "unsound" even in Encyclopedia Britannica) but was manifestly untrue to the spirit of Christ. The teaching, however, did have one thing in its favor—it had led many people to an increased study of the Bible. In that it was like such cults as Mormonism and Jehovah's Witnesses. It had its parallels in other lands—such as Shintoism in Japan and the "blood and soil" doctrine of German Nazism—all of which led in the direction of racial prejudice and away from the principles of democracy. "Fantastic and mischievous," it was a doctrine which could not be accepted in the light of the New Testament and the doctrines of Jesus Christ.

Mr. MacSween at the outset of his sermon traced the history of the British-Israel movement and then gave his answer to some of its claims.

Canada at War 25 Years Ago

Sept. 21, 1917:—French airmen raided towns in Wurtemberg and Rhenish Prussia. Austrians air-raided Venice, but four counter-attacks on the Bainsizza Plateau failed. Threatened revolt of Russian Cossacks checked, and Gen. Kaledin resigned his leadership to Premier A. F. Kerensky.

IN "TRUE TO ARMY"

Hilarious Comedy Coming To Screen of Capitol Theatre Here At First of Next Week

An hilarious comedy revolving around a United States Army camp entitled "True to the Army" comes as the feature offering to the screen of the Capitol Theatre here this Monday and Tuesday. The cast is headed by Judy Canova, Allan Jones, Ann Miller and Jerry Colonna.

Judy Canova plays the part of a tight rope walker in a small town circus. She is seen by a group of gangsters who kill the circus owner. In order to escape the gangsters and the police who want her to testify against them, she hides out in an army camp where her boy friend, Jerry Colonna, is chief pigeon trainer. Jerry and Allan Jones, an army entertainer, get Judy into a uniform, cut her hair and try to pass her off on Sergeant William Demarest as just one of the boys. The trouble and the fun that this leads to make a truly hilarious film. Ann Miller, as the general's beautiful daughter, does an unusual tap dance to the accompaniment of machine-gunning, this being a very interesting and novel terpsichoran routine.
