THE ONE BEST MILK

Writing of Pacific and rounding out his appreciation of this good milk as a food for his infant twins, Mr. F. E. B. says:
"We think so highly of Pacific Milk we will continue to use it as long as it is necessary to keep the twins on a milk diet."
What higher compliment can he pay?

"Y" Cafeteria To Be Opened

Lively British Boys Are Feature At Y. M.-Y.W. Concert

Good news for all hungry service men, Mr. Trant the manager for the new Y M C A Services Cafeteria is now in town and is busy like a little bee getting things in order. The big feature of this cafeteria is that it will be open evenings, a much needed accomodation in this town.

Two of the Y W C A Junior Hostesses are now in the R. C. A. F. Jeanie Cameron is in St. Thomas taking a clerical accountancy course and at the rate she is going at it should have her stripes soon. Nancy Bremmer was accepted more recently and is now home on a fortnight's furlough. Both girls should look pretty natty in their smart airforce blue uniforms.

Last night's concert party featured two of the British boys, Bert Pownall of Birmingham and Victor Bannister of London. Bert sang "Trees" and the "Desert song" and led the boys in a lively sing song. Vic Bannister convulsed the audience with his cheeky chatter in the Lambeth style. When asked if he or his family had suffered in London Blitz Vic replied nonchalantly, "No not much, but we did have an incendiary burn its way through the two top stories of our house." No, not much he didn't! How they can take it.

The rooming situation is growing so acute that the reasonable advice to all those contemplating having their wives join them is don't, unless you have been lucky enough to secure accomodation for them. Day in and day out we have the same problem of wives "taking a chance" on getting a room and then seeking desperately for any sort of a place when they get here and see for themselves how things are. Remember, if you don't worry someone else has to worry for you and that person is usually
