A Few Drops at First Sniffle or Sneeze

This simple precaution aids natural defenses against colds, and so helps prevent many colds developing—if used in time. Try it! Follow directions in the package. **VICKS VA-TRO-NOL**

LETTERBOX

PARENT-TEACHER NEEDS

Editor, Daily News:

May we be allowed space in your columns for a few words regarding the forthcoming Prince Rupert Parent Teachers' Association tag day. It is hoped that by this method funds may be raised for the purchase of sports and playground equipment for the schools and also for use in conjunction with the various subjects taught. These extra books are greatly needed in all of our schools.

The poor condition of some of the school playgrounds, the inadequate gymnasium and playroom facilities and other drawbacks due to a more than capacity attendance are quite generally realized.

—Prince Rupert Parent-Teachers' Association.
