OUR TURN NOW

A year ago we were wondering what HITLER was going to do. Today he is wondering what WE are going to do next.

Yes, the tide is turning but the war is far from won. This is no time to let down, it is time to accelerate our efforts.

Young physically fit men and women should be in the Army.

Those who are not fit for active duty should, if possible, be in the Reserve — the Rangers — the A.R.P. — Red Cross — Salvage Corps, or the like. Everybody should be in this war, young and old, men and women, in order to assure victory.

"HARRIGAN KID" HERE

Dramatic and Moving Tale of Turf, With New Juvenile Star, Coming to Capitol.

"Harrigan's Kid," dramatic and moving tale of the turf, comes to the Capitol Theatre this Wednesday. Bobby Readick, sensational juvenile star of Broadway, plays the title role of the young jockey who is converted to fair play and sportsmanship.

The story deals with the career of the jockey who is taught the tricks of riding by a former jockey played by William Gargan. The boy is taught not only how to ride but how to throw races so that the unscrupulous J. Carrol Naish may reap the profits of crooked bookmaking. However, the grand old man of the turf, Frank Craven, meets the youngster and, seeing through his tough exterior, buys his contract and takes the boy under his wing and teaches him to ride a good, clean race to win first place in the famous classic. Incidentally, Gargan redeems himself in a stirring climax.

Highlights of the film are exciting moments at a famous race track and glimpses into activities of famous horse-breeding farms. There are also comedy moments and dramatic situations.

A marriage of much interest, particularly in military circles, took place last evening at First United Church, Capt. Miller, Army padre officiating, when Miss Joy Gertrude Roots of Vancouver became the bride of Bombardier Paul Lauret who has been cook in the garrison officers' mess here for some time. Capt. Branston gave the bride in marriage and attendants of the couple were Mrs. Gillies, matron of honor, and Private Paul Daigle, groomsman.

A.R.P. IS REQUIRED

Department Head Back From Victoria Where He Attended Convention.

Fire Chief H. T. Lock returned yesterday afternoon from a three-week visit to Vancouver and Victoria, during which he attended a convention and fire school of the B.C. Fire Chiefs' Association at Oak Bay.

Mr. Lock reported that 47 members of the association attended the gathering, including representatives of the Underwriters association and a representative of the Provincial Fire Warden's office. Demonstrations of fire fighting equipment in action, and lectures and discussions on fire prevention and control were the main business of the gathering, Mr. Lock said.

In a speech at the banquet which concluded the convention, W. C. Mainwaring, provincial A.R.P. head, stressed the need for the continuance of air raid precautions saying that, when the Allies make their all-out attack on Japan, the Japanese might retaliate with attacks on this coast.

Mr. Lock looked deeply tanned from much sunshine and said that he had enjoyed his vacation very much. He had even managed to play a few games of cricket, of which he is fond.

Mrs. Lock, who accompanied her husband south, is returning to the city next week.

THE CHARTERED BANKS of Canada keep abreast of the Dominion's expanding needs.

Six times since 1870 the Bank Act under which the Chartered Banks operate has been revised by parliament—six times in that period the activities of the banks have been carefully scrutinized by the people's representatives.

Every ten years the Bank Act has been thus revised. Each one of the six decennial revisions has contributed much to the evolution of the banking system to meet the expanding needs of a developing Dominion.

In 1934 the sixth revision of the Bank Act was made. Fifty members of the House of Commons made up the committee, which examined witnesses—among them bank officers, government officials and reformers — and studied exhibits filed by various individuals and organizations. Findings were submitted to the House, and later that year the Bank Act was revised in many important particulars.

Through democratic enquiry and decision, the Canadian banking system has grown and been adjusted to meet the needs of the people, providing a depository for savings and a sound basis for Canada's free economic development.
