SAWMILLS BUSY; TERRACE BOOMS

Constant Stream of Tourists Through Interior Town—Lakelse Popular With Campers

With the woodworkers' strike over, Terrace sawmills are all working again and the town is booming, says C. M. Adam, Terrace theatre operator, who is in the city today on a brief business visit. The planing mill of Little,Haugland & Ker's big mill is running and only logs are being awaited before the main plant gets into operation.

Mr. Adam reports heavy motor tourist traffic through Terrace, cars from all parts of Canada and the United States going back and forth to and from Prince Rupert in steady procession.

Lakelse Lake summer camp accommodation is all taken up with campers from all over the country as well as from Terrace and Prince Rupert.

Terrace is making elaborate plans for the forthcoming convention early in August of the Associated Boards of Trade of Central British Columbia when there will be delegates from all over the district as well as from Alaska.

Mr. Adams drove in last evening with James MacKay, jr., formerly of this city, and Mr. and Mrs. George McAdams.

ADMIRATION IS WON BY TROPHY

The very handsome and valuable gold medal which has been fashioned and presented by Manson's Jewelers and is being offered as a trophy for the first motorist to drive across Canada from Halifax to Prince Rupert was exhibited at the last meeting of the Prince Rupert Public Relations Council and won unanimous admiration. The medal is suitably engraved and is suspended by two fine gold chains from a miniature key which is embellished with two small rubies and a sapphire.

Pictures of the trophy have been sent to Halifax newspapers for publication, together with descriptive matter, and they will also be sent to other newspapers.

The medal itself is expected to be put on public display in the city soon.

CHINDITS CELEBRATE
