Montreal 4, Boston 1.
Chicago 2, Detroit 5.

TORONTO — Toronto Maple Leafs went into undisputed leadership of the National Hockey League Saturday night by winning a three to nothing shut-out victory over their rivals for top place, Montreal Canadiens, and the situation remained unchanged last night when the Leafs eked out a close 5 to 4 victory over the New York Rangers at Madison Square Garden while the Canadiens were easily disposing of the Boston Bruins at Boston by a score of 4 to 1. In last night's third fixture at Detroit, the Red Wings crept into fourth place by defeating the Chicago Black Hawks 5 to 2. The Black Hawks had won 6 to 2 over the Rangers at New York Saturday night.

The largest crowd ever to see a hockey game in Canada crowded into the Maple Leaf Gardens for Saturday night's crucial contest between Toronto and Montreal. It numbered 16,315, the previous record having been 16,242 in the seventh and final game of the Stanley Cup finals in the spring of 1945 when the Maple Leafs, after losing three games, came up from behind to take the cup from Detroit.

Syl Apps scored the first goal for Maple Leafs in the first period while Pete Kennedy drove in the second and third in quick succession in the second period.

Rupert Takes Second Game To Tie Inter-City Hoop Series

Prince Rupert 66, Ketchikan 51

Showing a great deal more team work than they did in their initial encounter with Ketchikan, Prince Rupert All-Stars dominated the Alaskan visitors Saturday night in the second game of their inter-city basketball series by a score 66-51, a victory which will necessitate a play-off at some future date, probably in Ketchikan.

The game raised the somewhat drooping spirits of ardent local fans which had sagged under Ketchikan's Friday night victory when the territorials had things pretty much their own way and won by a score of 52-33.

Gone Saturday night were the almost unhampered scoring breaks which Ketchikan centre Billy Wiggs enjoyed in the initial game. Instead, the visitors were impeded diligently in their rebound tactics by the local players who were obviously acting on the wisdom of Coach Art Murray.

All-Stars' coaching payed off right from the start, giving them an 18-10 lead at the end of the first quarter, an advantage which increased slightly to 35-25 at half-time.

Prince Rupert's scoring blossomed into full flower largely through the ardent labors of Jack Lindsay. Known as a man who loves to plant the ball in the hoop, Mr. Lindsay's husbandry yielded 29 points, the highest individual score achieved by any player in either of the games.

Wiggs, of course, carried the honors for the visitors, marking up 22 points, only one less than he scored in the Friday night game. He did this despite a great deal more interference from local sources.

Technically speaking the game was inferior to the Friday night session, both sides lacking that eager touch which makes the difference between good floor play, and mere high scoring.

Ketchikan, which brought only seven players, was dealt a near-mortal blow before the third quarter when it lost Ludwigsen and Mansoni who were banished to the bench after committing five personal fouls. This allowed no substitutes to replace the five tiring workers who were left to finish the game.

Prince Rupert came forth with a fine, generous gesture in the fourth quarter by allowing Farstad to remain on the floor after his fifth personal foul, thereby allowing the visitors to continue the remaining minutes of play with a full team.

Prince Rupert — MacPhee 4; Calderone 3; Beynon 11; Houston 1; Dominato 10; Lindsay 29; T. Arney 2; Davis 5; Viereck; Holkestad Fitch White 1.

Ketchikan—Wigg 22; Ludwigsen 6; Manzoni 1; Phillips 5, Bolduc 2; Farstad 8; Bussanich 7.

RAINBIRDS WIN OVER PEOPLES

Rainbirds 28; Peoples Store 20

Reacting against their season's first defeat earlier last week, Bo-Me-Hi Rainbirds turned on People's Store to win the girls' league opener to Saturday night's inter-city basketball classic by a score of 28 to 20 before a capacity crowd in the Civic Centre gym.

Edna Sandhals, People's Store forward, outpaced her teammates to run up an individual score of 13 points, one of the highest individual scores in the girls' league this season. Her virtuosity, however, could not make up for High School's more widespread marksmanship.

People's Store emerged from the first quarter leading by a 3-2 score but, thereafter, they lost the lead, and went progressively farther into arrears. Half time score was 9-8 in favor of Rainbirds while, at three-quarter time, the students led 18-13.

Budinich and Thain led High School scoring with 8 points each.

Rainbirds—B. Hamilton 6, Budinich 8, Thain 8, Bill, MacKenzie 2, Youngman, A. Hamilton 4, Thompson, Howe.

People's Store—Grey 2, Sandahls 13, Blain 2, Bill 1, Berg 2, Vukovich, Balagno, Thornton.

CHALLENGER FOR LOUIS

"Violent Elmer" Hastings of Florida Emerges as No. 1 Contender

NEW YORK (CP)— Elmer (The Volent) Ray Hastings, Florida negro, sky-rocketed up to No. 1 spot among challengers for Joe Louis' heavyweight boxing crown Friday by punching out a ten-round decision over Jersey Joe Walcott before a near sell-out crowd at Madison Square Garden. Ray scaled 191¼ pounds and Walcott, 191½ pounds.

SHORT SPORT

Hamilton Wildcats dropped a 6-0 decision to Toronto Balmy Beach two years ago but a nine-point lead piled up the previous week gave them their second straight Ontario Rugby Football Union title on the total-points round. Montreal's highly-regarded Navy squad upset the Cats for the Grey Cup the following week.

Beau Jack, the fighting ex-bootblack from Georgia, won the world lightweight boxing title—New York version—for the second time three years ago by outpointing Bob Montgomery in a sizzling 15-round slugfest at Madison Square Garden. Jack now rates high among welterweight campaigners.

FOOD IS BIG JOB IN INDIA

NEW DELHI — An indication that India may have turned the corner in respect of her food crisis was given by Dr. Rajendra Prasad, opening a debate in the Central Assembly.

We have just begun to see streaks of light and I am hoping that we shall be able to pass through the darkness of this crisis and emerge into full sunshine very soon," he said. "But we cannot ignore the perennial problem of food shortage in this country, and the only way to meet it is to increase our own production."

He revealed that, of a total of 4,000,000 tons of grains requested from the International Food Emergency Commission, India had received only 1,732,000 tons. He also stated that 150,000,000 persons in the country were now affected by the government's stringent rationing measures. He added that the people are used to suffering and know how to face such difficulties because they have done it in the past.

Dr. Prasad revealed that there had been a "fair" monsoon and "we now have a crop in sight." But, he continued, "we cannot depend upon imports from foreign countries to meet our requirement. The objective we have set before ourselves is twofold—we must produce enough to meet the present emergency and, secondly, we must also improve the standard of living of our people."

The target of the government's short-term program is to produce 4,000,000 tons of additional food by 1952, enough to meet urgent requirements. The government has decided to aid agriculturists in various ways, for example, by erecting more irrigation works, by the supply of manure and also the distribution of seed of improved variety.

Port Simpson and Rupert Basketball

To witness the Ketchikan-Prince Rupert basketball series, Henry Musgrave and Paul Price of Port Simpson were week-end visitors in Prince Rupert. They made preliminary arrangements for a Prince Rupert-Port Simpson basketball series to be held later in the season.
