TIP FOR SUMMER

A good relieving treatment for sunburn, mosquito bites or poison ivy is to take a tepid bath in which cornstarch has been sprinkled and dissolved, and let the water dry on skin to leave a thin film of soothing starch.

A Grand Milk for Babies
Millions of babies have been raised on Carnation Milk formulas that their doctors have prescribed.
There are *three big reasons* . . . First, Carnation Milk is as *nourishing* as milk can be — and it's *irradiated* for extra "sunshine" vitamin D. Second, Carnation's *safe* because it comes to you sealed and sterilized. Third, Carnation's readily *digestible*, because heat-treatment gives it a valuable *soft-curd* quality.
You don't have *any* milk worries when your doctor puts the baby on Carnation. Write for free book "Your Contented Baby". Carnation Co. Ltd., 470 Granville St., Vanc.
