Says Mr. Gold Seal

"I'M AT MY BEST WHEN THE CHIPS ARE DOWN"

m a much more determined racter than I look: You see, I e an inborn sense of responsi- y. That's why, in addition to oting our machine-shop exclu- ly to armament specialties, I epted the challenge of wartime rtages and went all-out to main- the quality of my product, ngoleum Gold Seal Rugs and ngoleum by-the-yard. I reflected by thus assuring a dependable rce of colourful, cheery, work- ng, budget-easing floors, I would my own quiet way, be doing a morale job. And thousands of goleum fans across Canada, seem gree with me."

CONGOLEUM GOLD SEAL Rugs

HOW TO HELP MR. GOLD SEAL MAKE GOOD

You can get added wear out of your Congoleum floors with very little effort. Brush and mop them regularly and renew the brightness of their surface with an occasional waxing. Make sure too, that the floor underneath is smooth and free from crevices or knobs. If it's a rug, move it every few months to "spread" the traffic. Yes, a little care will pay big dividends.

MISERIES OF Baby's Cold Relieved As He Sleeps

Now . . . here's reliable home-proved medication that works **2 ways at once** to relieve distress of child's cold—**even while he sleeps!**

Just rub throat, chest **and back** with Vicks VapoRub at bedtime. **Instantly** VapoRub starts to relieve coughing spasms, ease muscular soreness or tightness, and invite restful, comforting sleep. Often by morning, most of the misery is gone.

For baby's sake, try VapoRub tonight. It must be good, because when colds strike, most mothers use Vicks VapoRub.

Mrs. David Scott and daughter, Miss Betty Scott, returned to the city yesterday afternoon from a visit to Vancouver and Nanaimo.

Miss Annie Lips, principal of the Terrace public school, and Miss Alice Riley of the teaching staff were visitors in the city over the holiday week-end, arriving Friday night and returning home last evening.

## Home Recipe

**BAKED STUFFED SQUASH**

3 small acorn squash
1 teaspoon salt
⅛ teaspoon pepper
1 tablespoon butter
3 medium apples
2 tablespoons brown sugar
12 medium sausages

Wash squash and cut in two lengthwise. Remove seeds and pithy portion. Sprinkle each half with salt and pepper and dot with butter. Peel and core the apples, cut in half and place one half in the hollow of each half squash. Sprinkle with sugar, place squash in baking pan and add a little water. Cover and bake in a moderately hot oven, 375 degrees F., until nearly tender, about 45 minutes.

Brown sausages in frying pan. Place two sausages on each half squash, on top or at the side of apple. Return to oven and bake 15 minutes longer. Serves six.

**CABBAGE ROLLS**

12 large cabbage leaves.
2 tablespoons mild-flavored fat
1 green pepper, seed and chop
1-3 cup chopped onion
1-3 cup chopped celery
2 cups cooked rice or chopped cooked spaghetti or macaroni
1½ cups sausage meat (¾ pound)
1 cup tomato juice

Wash cabbage leaves and cook, covered, for 3 minutes in a small amount of boiling, salted water. Drain and dry on a towel. Saute green pepper, onion and celery in fat for two minutes. Add the cooked rice, chopped spaghetti or macaroni and sausage meat, blending well. Put about 1-3 cup stuffing on each cabbage leaf and roll up, starting from base of leaf. Place in single layer in greased baking dish. Pour tomato juice over the rolls and bake in a moderate oven, 350 degrees F., for about 45 minutes. Six servings.

## LETTERBOX

**VALUE FOR TAXES**

Editor, Daily News:

Please give me some space in your paper so I may have the pleasure of asking the city engineer when he intends to stop throwing good money after bad. I have no idea what it is costing the taxpayers but I will say it is more than it should be.

Starting from the Ridley Home all the way down Eighth ave. E. you will find hundreds of holes, some very large and some small. The large ones are big enough to drown a small child going to or coming from school.

For years they have been spending, or should I say wasting, the taxpayers' money. Some of the larger holes are filled up but by the end of the month there are the holes just the same. The rocks are gone into the ditch and men are sent out to clean the ditches.

If the taxpayers were asked how to put Seventh ave E. in good shape they would be able to show how.

I think we have the rock around Prince Rupert and a steam roller. The tar can be obtained. All we need is an understanding of the job and there are good men right in the city who have this.

I know of no less than 32 families who have left this city just because the roads are in bad shape and three more will be leaving before Christmas.

Even the bus will not turn into Eighth ave. because of the bad road.

We do not mind paying a little more in taxes but we do think we should get something to show for our money.

F. MILLER.
