Job's Daughters Church Service

Impressive Rites at First Presbyterian Church Sunday Evening.

There was an impressive service at First Presbyterian Church Sunday evening especially for the girls of Prince Rupert Bethel of Job's Daughters and their mothers. There was a full turn-out of the members and it was an interesting sight as the white-robed officers of the bethel as well as the members and the mothers marched into the church and took their seats at the front of the congregation. The girls were led by the honored queen, Mona McRae; Mrs. Alex Mitchell, the guardian, and George Dawes, associate guardian.

Rev. A. F. MacSween preached an appropriate sermon, extolling the principles of the order and urging the importance of their being lived up to. There was an anthem by the senior choir under direction of Mrs. E. J. Smith, the organist.

Last Friday evening the Job's Daughters' regular meeting was also in honor of the mothers, a corsage being presented by each daughter to each mother and a special presentation being made to Mrs. Robert Gordon.

Says Mr. Gold Seal

"I'M AT MY BEST WHEN THE CHIPS ARE DOWN"

"I'm a much more determined character than I look: You see, I have an inborn sense of responsibility. That's why, in addition to devoting our machine-shop exclusively to armament specialties, I accepted the challenge of wartime shortages and went all-out to maintain the quality of my product, Congoleum Gold Seal Rugs and Congoleum by-the-yard. I reflected that by thus assuring a dependable source of colourful, cheery, work-saving, budget-easing floors, I would in my own quiet way, be doing a real morale job. And thousands of Congoleum fans across Canada, seem to agree with me."

CONGOLEUM GOLD SEAL Rugs

HOW TO HELP MR. GOLD SEAL MAKE GOOD

You can get added wear out of your Congoleum floors with very little effort. Brush and mop them regularly and renew the brightness of their surface with an occasional waxing. Make sure too, that the floor underneath is smooth and free from crevices or knobs. If it's a rug, move it every few months to "spread" the traffic. Yes, a little care will pay big dividends.
