Ottawa Rough Riders won the Dominion football title beating University of Toronto 10-7, just 18 years ago on a frozen field at Toronto. Joe Miller was the outstanding star with his kicking for the Rough Riders.

The Toronto Maple Leafs baseball club announced the signing of Burleigh Grimes as manager three years ago today. Grimes, more affectionately known as Stubblebeard, who managed the Brooklyn Dodgers in 1938, led the Leafs to their first pennant since 1926 in 1943.

CITY COUNCIL

A call for tenders on used and discarded road and construction equipment owned by the Provincial Department of Public Works was referred to the Board of Works at last night's city council meeting. Listed among the equipment were compressors, snow shovels, scrapers and many other items.

An application by Victor Basso-Bert to use two lots on Fraser St. as a parking lot for trailers was referred to the health committee. It was understood that there are three families living in trailers in various parts of the city.

A complaint by the Boilermakers' and Iron Shipbuilders' Union on behalf of J. H. Trudeau was referred to the ambulance committee. The complaint stated that when Mr. Trudeau's son, Maurice, was injured in a bicycle accident recently the ambulance driver had failed to attend the case but had referred the boy's father to a doctor. The letter also took exception to the ambulance rates now in force.

On recommendation of the board of works committee the city clerk was instructed to communicate with the War Assets Corporation to learn whether any asphalt paving machinery or compressors are available for purchase.

Council approved a recommendation of the licensing committee that an auctioneers' license be granted to Murray Oliver and that licenses to repair and service boilers be granted to H. Williams and to Victor Grant as electrical contractor providing they conform to the zoning by-laws.

Utilities committee reported that a letter has been received by Fire Chief H. T. Lock from the U. S. Army fire marshal thanking him for his co-operation during a recent fire at an army warehouse.

Board of works recommended that a survey monument on First Ave. near the Naval barracks be cut down and reset at the expense of the city.

City Engineer G. S. Haines is now plumbing inspector as well. He was given the job temporarily by city council last night when Sanitary Inspector M. J. Harper declined to take it on grounds that he did not feel qualified. Mr. Harper added that he feared it would hamper his work as sanitary inspector. Both jobs were handled by former Sanitary Inspector C. R. Stonehouse, and council felt that Mr. Harper should work under the same arrangement.

GREAT LOVE STORY HERE

"The White Cliffs of Dover," which comes to the Capitol Theatre for four days starting Wednesday, is a powerful love story which spans the years of World War I and World War II. It stars Irene Dunne for whom it is said to be a triumph.

As an American visitor in England, Miss Dunne meets Alan Marshal. She falls in love with him immediately, and after a brief courtship, marries him. Their love is idyllic, but it is interrupted by the outbreak of war. Marshall answers the call to arms and never gets a chance to see his son.

Time passes quickly and another World War has interrupted many a peaceful home and fireside. Again Miss Dunne makes a sacrifice, this time sending her son off to combat against the Nazis. But this is not all. She gives unselfishly of her time, spending days and nights on Red Cross duty in a British hospital. Her son is brought to the hospital mortally wounded, and with her at his side he breathes his last.

Miss Dunne's performance is said to be the greatest in her career. Alan Marshal gives a fine account of himself as lover and husband. Frank Morgan, is her father. Roddy McDowall, is the son in youth, and Peter Lawford the son grown up. Also, there are such fine actors and actresses as C. Aubrey Smith, Dame May Whitty, Gladys Cooper and Elizabeth Taylor.

Basketball Buzz

Two teams which have both been defeated in close games by the pace-setting Port Edward squad, Acropolis Hill and Officers, will meet in an Area Basketball League "B" Section tilt Wednesday night in the post gymnasium.

In a later engagement at the the gymn, the City quintette will tackle the Bo-Me-Hi club. The High School cagers have not played since they dropped a 45 to 20 decision to the Officers two weeks ago, while City defeated the Co-ops last week at Port Edward.

Deadlocked in third place of the loop standings with two wins and two losses each, the Officers and City teams will each be striving to pass the other in the "A" section hoop race.

The Acropolis five have won three out of four tilts, while Bo-Me-Hi is winless so far.
