"Anyone can have milk for delicious new dishes!"

SAYS ELSIE: "Don't let lack of milk keep you from enjoying new mealtime treats! Use KLIM Powdered Milk. Just mix with water to get creamy milk for making tasty biscuits, custards, soups and creamed sauces for vegetables and fish. Good for tea or coffee, too. Made, as needed, this milk is always fresh."

Good reasons why you'll like KLIM:

1 KLIM is pasteurized whole milk—*powdered*. Only the natural moisture has been removed. All the cream is left in.

2 KLIM keeps fresh indefinitely in its vacuum-sealed container. Even after opening, KLIM keeps fresh and sweet for a long time. (Note: Be sure to replace lid tightly.)

3 KLIM is light, easy to carry. Saves space. Ready for immediate use. Just follow the simple directions printed on the can.

KLIM is a vital product required in large quantities for our fighting forces everywhere. Naturally the amount for civilian use is restricted. However—for infant feeding—if you have difficulty in getting a sufficient supply have your dealer get in touch with us.

Presbyterian Tea and Sale Is Successful

The home of Mrs. J. A. Teng, Ambrose Avenue, was the scene yesterday afternoon of a delightful tea and sale of home cooking by the Ladies' Aid of First Presbyterian Church, there being a good attendance at the affair, financial returns of which were quite gratifying.

The guests were received by the hostess and Mrs. J. B. McKay, president of the Ladies' Aid.

The tea room, decorated with early summer flowers and foliage, was in charge of Mrs. John McGuire. Presiding at the tea table which was covered with a handsome lace cloth and centred with a bowl of lovely mixed flowers, were Mrs. D. C. Stuart and Mrs. James Simpson. Serviteurs were Mrs. E. J. Smith, Mrs. William Martin and Mrs. George C. Mitchell. The cashier was Mrs. Harry Calderwood.

The home cooking table was conducted by Mrs. James Hadden and Mrs. Robert Cameron.

TERRACE

Miss Ida Pearson has returned to Terrace after having been teaching school at Kispiox for the past couple of years.

Mrs. H. L. Pearson and daughter, Donna, and Miss Shirley Redman returned to Terrace Wednesday night from a brief trip to Prince Rupert. The two girls will be leaving shortly for Victoria. Mr. Pearson is now in Calgary.

Mr. and Mrs. Roy L. Fox plan on leaving next week for Toronto in the hope that change and treatment to be received in the east will be beneficial to Mr Fox's health. Mr. Fox, formerly of Stewart, recently sold out his business here to G. McAdams.

Mr. and Mrs. T. Elwood Brooks are on a vacation trip to Regina.

Many Terrace people have been basking during the fine weather recently at their summer homes along the shores of Lakelse Lake. With schools now closing, there will soon be a general exodus of campers there. Accommodation is, as usual, at a premium.

NIGERIAN LIME

LAGOS, (CP)—A recent development in Nigeria was the setting up of a laboratory at Igumale to deal with investigations into lime and cement manufacture. The results indicated the presence of a large quantity of high grade limestone.

Gladys Swarthout Versatile Artist

Star's Future In Doubt Because of Dearth of Contralto Parts in Opera

NEW YORK, June 23 (CP)—Gladys Swarthout is just about the only feminine celebrity in America who has kept the same hair-do for more than a decade. She is also the only Metropolitan Opera contralto to pass the stiff physical appearance tests of the movies.

Today Gladys Swarthout, because of voice limitations and the dearth of contralto parts in opera, stands at a crossroads in her career.

Will she by practice in voice and language be able to swing such roles as Carmen or will she give up opera and become the outstanding glamor singer of the concert stage?

When she last sang Carmen at the Met, the critics agreed that she made a beautiful cigaret girl, but that her voice wasn't quite strong enough. If such is the case, the contralto roles of Wagner would be more difficult still.

Gladys is one of the few singers who can do sweet, hot and popular songs, folk music as well as classics. Last year she did a daring thing for a prima donna in making an album of requested popular songs from her Sunday radio program. They were received by the critics as seriously as when she made her French album of operatic arias.

Her husband, Captain Frank Chapman of the Marines, studied singing in Italy but gave it up to become Gladys' manager when they were married. He not only sits in the control room for every broadcast when he is in town, but talks to her designers about the clothes she should wear for concerts, etc.

Why DO CANADIANS Like THE BANK OF MONTREAL?

It is not by chance that the Bank has a million satisfied depositors, besides thousands of other friends who use its services in various ways. There are substantial reasons, chief of which, we believe, are as follows:

First, *Confidence.* Canadians of every occupation—farmers, labourers, mechanics, office workers, home workers, business managers and clerks, corporation executives, professional men and women—believe in the Bank, because of its history and traditions, its strength and its known service to the nation.

Second, *Experience.* These Canadians know, by personal experience in dealings with the Bank, they can rely on it—come good times or bad, peace or war—for the kind of banking service they need.

Third, *Modern Methods.* Due to our modern methods, a spirit of helpfulness, and the practical efficiency of our staff, customers find it pleasant to transact business at the Bank, whether it be at the Head Office, one of our large city branches, or the smallest branch in the smallest town.

If you are not a customer of the Bank, you are invited to become one.
