A Few Drops at First Sniffle or Sneeze

Helps Prevent Many Colds From Developing

A cold may mean lost days—lost pay. Put a few drops of Vicks Va-tro-nol up each nostril—at first sniffle, sneeze or sign of cold. This simple precaution aids natural defenses against colds, and so helps prevent many colds developing—if used in time. Try it! Follow directions in the package. VICKS VA-TRO-NOL

Naval Baptism Is Solemnized

The wardroom of one of His Majesty's Canadian ships in a western Canadian port was the scene of an ancient and impressive ceremony last Sunday when the infant son of Lieut. Gordon Draeseke, R.C.N.V.R., and Mrs. Draeseke received the names Douglas Gordon.

Following a traditional naval custom the ship's bell was inverted to contain the Holy Water and was placed on the White Ensign.

Lieutenant Don Lawson, R.C.N.V.R., Sub-Lieutenant Ellis, R.C.N.V.R., and Mrs. Ellis, stood proxy for the godparents, G. E. B. Housser, F. J. Gow and Miss Bunty Scott of Vancouver.

The parental grandparents of the child are Dr. and Mrs. Gordon Draeseke and the maternal grandparents are Mr. and Mrs. F. H. Gow, all of Vancouver.

In accordance with an ancient naval custom the remainder of the Holy Water in the ship's bell was poured over the side of the ship by the naval chaplain, Rev. A. M. McKitrick.. who conducted the Church of England service.

"QUALITY"

Not Only a Word, But a Code

. . . Quality is no static thing; it has no unit of measure. Rather is it a decree of excellence.

. . . Judgment of the degree of excellence in any particular product must rest with the integrity of the judges.

. . . Such judgment was easier when things were made of "pure" substances—such as pure wool, pure silk, pure linen—or when an article was made from start to finish by hand.

. . . Proper judgment of products demands more knowledge and experience than ever before. Only a store that holds public confidence as its most precious trust can be counted upon to keep its standards of judgment unassailable.

. . . Quality is and will continue to be our code. We will endeavor to maintain in our goods a degree of excellence the word "Quality" connotes.
