C.N. ATHLETICS LEAGUE LEADERS

High School's victory over Gordon and Anderson last week in the men's fastball league did more than justify the faith placed in the students' team by their fans. This win gave the students undisputed possession of second place in the league standings beside breaking the three-way deadlock which had existed for this spot. The students, with their two wins against one loss are now firmly ensconced with better than a full game in hand hand over General Motors who are currently their nearest rival.

Last night's proposed exhibition tilt between H.M.C.S. Uganda and the league leading C.N.R.A. was rained out so the league leaders now remain idle until Friday night when they will attempt to down the climbing High School who in turn will be all out to gain a tie for top spot.

Even if General Motors win their scheduled game against Navy on Wednesday they cannot hope to overtake the students although a win in this game would put the Motors nine a scant half game behind the High School.

Following is the league standing to date:

C.N.R.A.	3	0	1.000
High School	2	1	.666
General Motors	2	2	.500
Gord. & And.	2	3	.400
Co-op	1	2	.333
Navy	0	2	.000

MEN'S FASTBALL BAT AVERAGES

With most of the first section of the men's fastball schedule having been successfully completed, no less than 14 players in the league are in the charmed circle of .300 or over batters. Jack Lindsay of General Motors is leading the paraded with a towering .500 average for three games with Herb Morgan, also of General Motors, close on his heels with a very powerful .470. Vic Dell of Gordon & Anderson led the league with a terrific .555 average after his first four games but slipped to third place over the week-end and after five games has an average of .423. Bill Lambie of General Motors is also hitting over .400 with .411 as his official average while Berner and Dunbar, both of C.N.R.A., boast an average of an even .400. Following is a list of batting averages for all players who have played in three or more games:
