The Heavy Battery and the General Motors meet again for another evening in a regularly scheduled Manson Cup fixture. These teams also have a postponed game to play, while the General Motors have a postponed game with the Canadian Legion to complete the series. The situation is that the Motors have three games to play, the Battery have two games to play and the Canadian Legion have one to play.

The Football Association has said to make the draw for the last competition of the year as the final of it is set as a feature of the Labor Day Sports program.

Frightened Horse Odd Gate Crasher

LONDON (AP) — A horse knocked at Mrs. Elizabeth Butcher's front door.

When she answered, the door collapsed and a horse's head and shoulders appeared.

Witnesses said a passing truck had frightened the horse, which was pulling a truck. It bolted, dragging the driverless truck behind it, and crashed into Mrs. Butcher's door.

Atrangh will meet a Prince Rupert team on Saturday evening.

Battery and Motors Draw

Pat Wilson Scores the Hat-Trick in Snappy Game

Last evening's football game in the Manson Cup series found the General Motors taking a two-goal lead but the Battery scored three goals to go ahead and then the Motors got the equalizer with the final score being a three-all tie.

Play opened fast with the Motors attacking but, after Pat Wilson hit the underside of the crossbar, Hornell missed an easy opening by driving wildly over the bar. A fast play brought the ball from Parkhouse to Cameron whose cross was driven just too high by Alex. Gomes. Battery forced two corners but back came the Motors and Pat Wilson scored with a good drive when Ferguson lost control of the ball. A foul against Olsen for elbowing was cleared by Wellens. Parkhouse hit the bar with a fine drive. Then Wellens handled in the penalty area but Darrow Gomes drove the shot straight to Boulter who held on to the hard shot and cleared. At half time the Motors led one to nil.

Motors forced a corner and Olsen headed past. Motors went two goals up on a fine drive by Pat Wilson, Missouri fed Parkhouse who scored with a good shot and a moment later the same player hit the crossbar and Darrow Gomes scored from the rebound to tie the score. They went ahead when Boulter failed to intercept a cross and Alex. Gomes scored. Motors pressed but back came Battery and John Wilson relieved the pressure. Boulter saved and Price went clear. Parkhouse handled and from the penalty spot Pat Wilson gave Bowerman no chance with a well-placed drive and the scores were even. Both teams pressed hard for a winning goal but chances were missed and the defences held out. Final score, Battery three, General Motors three.

Teams.

General Motors — Boulter; John Wilson, Wellens; Ford, Olsen, Price; White, Pat Wilson, Hornell, Reynolds, Youden; Mayne, Lange.

Heavy Battery — Bowerman; Dunbar, Ferguson, Sandham; Darrow, Gomes, Missouri; Cameron, Parkhouse, Parkin, Billy Gomes, Alex. Gomes.

Referee—Pat Parnell. Timekeeper—J. Taylor. G. Scott.

CHAMBANGS

Between the lines on chance with the winning goals. Dunbar was fast and rare with Ferguson defending strongly. Darrow Gomes was tame, fumbling well and then throwing up in attack. He got a foul but failed to penalize. Hornell was effective and Schneider did well. Parkhouse kept his wings moving and then well finishing a good goal. Parkhouse was dangerous. Cameron was fast but far large in the second half and centered dangerously. Billy Gomes and Alex. Gomes were aggressive with Alex. being right on the spot to score. Billy Gomes gave the back a hard time. Price was fast and accurate.

Boulter did well saving a penalty but was at fault when the Battery got their goal. John Wilson was always in the thick of things and gave his backs quality. Wellens was a capable captain. The Battery halfbacks were all in form. Olsen was fast and effective. Ford played a sticking game all through. Price was fast and cocksure with good judgment, throwing into half backs. Pat Wilson was always in the thick of things and gave the defence hard time. The changes of position in the forward line were good. The Battery forwards were all good. Pat Wilson got the hat trick and played hard. Reynolds and Youden were always good and aggressive. White tired hard and Mayne did well in the second half. Hornell played too far back to be an effective centre-forward.

BASEBALL PROTEST

Editor, Daily News:

I would like to take this opportunity to comment on the decision of the protest committee of the Prince Rupert Baseball Association with regards to the game of August 20 between Watson Island and Commercials.

First, it is only correct that the rules related to the incident be stated.

Rule 31, Sec. 7 states as follows: "A balk shall be called by the umpire when the pitcher is guilty of making any motion to pitch while standing in his position without having the ball in his possession, or, regardless if he makes any motion to pitch or not, if the pitcher takes a legal position on the pitcher's plate without the ball in his possession."

Rule 56 states that no appeal shall result from a decision based on the umpire's judgment. There shall be no appeal from any decision of any umpire on the ground that he was not correct in his conclusion as to whether a ball is batted fair or foul, a base runner safe or out, etc., or any other play including accuracy of judgment, and no decision rendered by him shall be reversed, except that he be convinced that it is in violation to one of these rules."

I would like to commend the umpire-in-chief for at least interpreting the rule correctly.

It was his "judgment" that the pitcher's foot was in contact with the pitcher's plate at the time of tag play in question. This fact places the pitcher in the not too glorious position of being guilty of a "balk," since at this time he did not have possession of the ball.

It would appear then that the protest committee has exceeded its power by over-ruling the judgment of the umpire.

Thank you, Mr. Editor.
