DEFER REQUEST FOR SPORT TRACK IN PARK AREA

An application from Canadian Legion Athletic Club for assistance by the city in making a cinder track at Roosevelt Park for the proposed Northern B.C. championship track and field meet here on July 1 was referred to the parks board last night

The application was made verbally by Graham Alexander who told of the plan to observe Dominion Day with sporting events. He asked that a cinder track having a straight-away of 125 yards, be made at Roosevelt Park, circling the sports field.

City Engineer C. B. Howe estimated that a quarter-mile track 24 feet wide would cost between $1,200 and $1,500 to instal and indicated that it might interfere with the baseball and football fields.

He suggested an alternative location farther west on Roosevelt Park, where, he said, the ground is more level.

I will not be responsible for debts contracted in my name by anyone other than myself.

JOAN THAIN, 15, PASSES

Daughter of City Clerk Succumbs to Anaemia

Joan Thain, 15 - year old daughter of City Clerk and Mrs. H. D. Thain, passed away at 7 o'clock last night in Prince Rupert General Hospital which she entered last week for treatment for anaemia.

A student at Booth Memorial High School, she was the only child of Mr. and Mrs. Thain. She was born at Trail on November 26, 1932, receiving her early education at the Trail public school, and later at Borden Street School here.

She entered hospital to receive blood transfusions for an anaemic condition which had troubled her for some time. She was a popular and active member of her class at Booth High School and also was a member of Job's Daughters.

A sister of Mrs. Thain, Mrs. Eric Brown, of Vancouver, arrived in the city by plane today to be present during the parents' bereavement.

Funeral arrangements will be announced later.

Table Requests For Grants

Requests from two organizations for grants from the city were tabled by council last night for consideration at a later date when the annual estimates come before the attention of council. A request from the Civic Centre for continuation of its $100 a month grant was referred to estimates after council had authorized payment of the money on a temporary basis until the estimates are approved. Application by the Chamber of Commerce for its usual $250 grant was held over until the budget is considered.
