Tobacco Firm Profits Rise

TORONTO (CP)—Imperial Tobacco Company's consolidated net profit for 1952 shows an increase over the 1951 figure.

Net profit for 1952 amounted to $6,880,258, for 1951, $5,418,552.

The 1952 crop of flue-cured tobacco produced in Canada amounted to about 128,000,000 pounds and established a cash return to growers of approximately $57,000,000.

Reduction in cigarette taxes in the recent federal budget will make possible a lower price to consumers and eventually lead to a greater revenue to the government through an increase in the quantity of cigarettes purchased, the report added.

Wynn, Doby Sign Contracts

TUCSON, Ariz. (AP)—Pitcher Early Wynn and outfielder Larry Doby have ended their holdouts and signed contracts with Cleveland Indians.

Wynn put his name on the dotted line for $36,000—$4,000 less than he asked and $1,000 more than general manager Hank Greenberg had offered previously. The new pact represents a $4,000 boost for the big righthander who won 23 games last season.

Doby's salary terms were not known immediately. Reporters said he had turned down a $25,000 offer earlier.

NOTICE

Pursuant to section 35 (1) of the "Highway Act" it is the intention of the undersigned to regulate traffic on all public roads in the SKEENA Electoral District during the spring break-up. Notices restricting traffic on closing roads will be posted as and when required.

One Man to do Job of Nine in Calgary Plant

CALGARY (CP)—Calgary Power Co. Ltd., largest supplier of electricity for Alberta, has decided one man can do the same job it now takes nine to do.

The company will install an automatic control system whereby the company's nine southern Alberta dams and power plants will be controlled by a one-man pushbutton system.

In re-wiring this enormous project, largest job of its type ever done in Alberta, some idea of the time and work to be done will be noted with the changeover of the Ghost Dam. To convert the dam will require 9,000 feet of wire and 10,000 feet of cable. There also will be 4,000 new connections at the dam and another 10,000 at the main control panel.

Completion of the new wiring of all nine plants and dams is expected to be completed by 1954.

Boys Find Money Orders

VANCOUVER (CP) — Several young boys playing cowboys and Indians in suburban North Vancouver last Sunday discovered $9,000 in negotiable money orders in a battered strongbox.

The strongbox was stolen in Burquitlam post office, about 15 miles away, February 1. Only items missing were $170 worth of stamps and $40 in cash.

More Shells Going to Korea

WASHINGTON (CP) — Defence Secretary Charles E. Wilson said today enough ammunition will be available soon to give the 8th Army command in Korea "considerable latitude" in determining whether there should be a "more active type of operations."

Gold was found in Australia in the year 1851.

BLACKWOOD on Bridge

By EASLEY BLACKWOOD

Even When It's Difficult To Lose, Mr. Muzzy Manages

It wasn't easy but Mr. Muzzy succeeded in going down two at his three no trump contract in today's deal.

Mr. Champion rubbed his forehead in resignation. "Let me put it to you this way, Muzzy," he said. "If you have some winning tricks, it's a very convenient thing to win them within the first 13 tricks played. Otherwise, unless the rules of the game are changed drastically, you aren't going to win them at all."

"You're talking in riddles," Mr. Muzzy complained.

"Nothing of the kind," continued Mr. Champion. "When Masters was running his hearts you were playing good winning cards in other suits. You had plenty of winners for your game—you just didn't take them at the proper time."

Here's how Mr. Muzzy played the hand: The jack of hearts was opened and he won with the queen. He then led the jack of clubs and let it ride. Mr. Dale won with the king and returned a heart, whereupon Mr. Champion rattled off five heart tricks.

Mr. Champion was right in saying Mr. Muzzy had not played his cards in the correct order. For his vulnerable overcall, Mr. Champion could reasonably be figured for the ace of hearts and so Mr. Muzzy probably had only one winner in the heart suit. But that was all he needed.

Even if the king of hearts were wrong, he could take five clubs, two spades, one diamond and one heart for game. There was no good reason why he had to win specifically the first heart trick. In fact, in the interests of safety, he should not have done so.

His best play was to duck the first heart and let the jack win. If hearts were continued, he could win the second or third trick depending upon whether Mr. Masters led the 10 at trick two and cashed the ace first.

In any case, after losing the club finesse later, Mr. Dale would have no heart to return and thus Mr. Muzzy would be able to regain the lead promptly and make his contract.
