Mounties Rally For Win

Solons Edged 6-3 On 3 Runs in 13th

By The Associated Press

Vancouver Mounties, held in check for over four hours, broke out early today with a 13th inning rally good for three runs and a 6-3 win over the Sacramento Solons. The series opener lasted four hours and 16 minutes in the California city.

At Hollywood, Charley Naranjo the star's Cuban right hander held Portland to three hits and whitewashed the Beavers 7-0. Naranjo fanned seven. The stars combed Red Adams and two successors for 13 hits, including two home runs.

San Diego finished off Seattle pitcher Fred Baczewski in the second inning and went on to their fifth straight win by an 8-2 score. Eddie Erautt was the victorious pitcher in the first of the four-game series.

And at San Francisco, little Albie Pearson's ninth inning triple with two out beat Los Angeles 6-5 before 7,659 fans.

Football Scholarship Mooted

TORONTO (CP)—Bob Moran, former president of Toronto Argonauts of the Big Four football union, said Friday the Canadian Football Council might be able to work out a "scholarship plan" for Canadian players.

The latest trend in Canadian football is for teams of the Big Four and Western Interprovincial Football Union to sign Canadian boys who have played with American colleges. They are not considered imports.

Moran said Argos talked the situation over a couple of years ago but too many questionable features were involved.

BOMBERS HAVE TWO

"If the Canadian Football Council got together and decided to allow each club to send a couple of boys to an American college, and to recognize such boys as the property of the sponsoring club, it might work out," he said.

Winnipeg Blue Bombers of the WIFU disclosed this week that they had signed two Winnipeg boys, whom they had sent to University of North Dakota on scholarships to obtain football experience they couldn't get otherwise. The two are Barry Roseborough and William Bolonchuk.

Earlier this year, Argos signed Joe Markowski of Hamilton, who spent four years at Notre Dame.

BASKETBALLERS TO HOLD FINANCE MEETING TONIGHT

A meeting of the Prince Rupert Basketball Association is slated tonight at 7 p.m. at the Civic Centre to try and reach a solution to the $400 deficit facing the PRBA after completion of the 1955-56 season.

One solution put for by association treasurer Joan Kedey, in the event no other means of raising the money could be proposed, was an individual assessment of players in the various leagues last year.

Also suggested as a possible fund raising scheme was to hold a dance at which basketball trophies would be presented.

Meeting is to be held in the Ladies' Lounge.

Braves Clout Cards 5-4 To Stay Atop National

By The Associated Press

It's a new season all right, but the St. Louis Cardinals' pitching staff is still staggering around with a home hangover.

The Redbirds were clipped for 185 home runs last season—an all-time major league record. Now it appears that mark may not last the year.

In three games St. Louis pitching has been picked for eight homers, including the only grand-slam so far in either league this season (by Cincinnati's Ray Jablonski, former Cardinal). Three of them came Friday night to overhaul an early St. Louis lead and get Milwaukee started on a 5-4 decision that left Braves unbeaten atop the National League.

BRAVES' THIRD STRAIGHT

Eddie Mathews smacked a pair, his first of the season, and Wes Covington poked the other, with a man on base, in a pinch-role as Milwaukee made it three straight. Right behind are Brooklyn, which shelled Pittsburgh 5-0 on Roger Craig's nifty four-hitter and Junior Gilliam's four RBIs; and Philadelphia, which edged the New York Giants 2-1 on a bases-loaded single by Del Ennis in the 10th.

Chicago Cubs whacked Cincinnati 12-1 in the other game behind a four-hitter by Sam Jones, who fanned nine.

In the American, Mickey Mantle drove in four runs as New York Yankees walloped Boston's Red Sox 7-1; Chicago White Sox remained unbeaten and in first place by beating Kansas City 6-3 as Ron Northey triggered a three-run ninth with a pinch, two-run homer; Cleveland won its first, beating Detroit 3-1 behind Early Wynn's five-hitter; and Baltimore gained its first decision with Gus Triandos' two-run homer that beat Washington 3-2.

Milwaukee's homers came off starter Tom Poholsky, the big righthander who gave up 26 gopher balls last season. Reliefer Stu Miller was the loser, however, on Bobby Thompson's sacrifice fly that scored an unearned winning marker in the eighth.

A two-run double by Red Schoendienst and Ken Boyer's solo homer had given the Cards a quick lead on Warren Spahn, who gave way to Ernie Johnson and the veteran Lou Sleator, who got the decision.

Little Loop Announces Player-List for 1956

More than 146 Little League Baseball players were assigned to four teams last night as the Prince Rupert Little League baseball association held its annual "Player Auction" at the home of Alex Slater.

Worked the same as the big leagues, new players were bid on to add to last year's rosters. Order in which boys are listed has nothing to do with their value or the amount of points bid for them.

Teams are as follows:

Ponoka Loses Regular Goalie But Ties Final

RED DEER, Alta. (CP)—Ponoka Stampeders lost their regular netminder to an appendicitis attack Friday night but hung on desperately through the third period to win 5-4 over Port Arthur Bearcats in the fourth game of the western intermediate A hockey final. The best-of-seven series now is tied at two games each and the fifth game is scheduled at Ponoka tonight.

Metals in today's markets must meet exacting conditions. Exceptional purity is a common requirement; the complete removal of certain minor metals or alternatively the addition of others to meet specific conditions is often necessary.

The problem of matching the product to the market is constantly under study by Cominco's Sales and Research divisions. Cominco engineers are glad to work with customers to answer their needs and, if necessary, "tailor-make" a metal or an alloy for their use.
