Patterson Cools Moore in 5th Round To Become Youngest Heavy Champion

YOU AUTO KNOW!

A few short words today about what gives in the wonderful world of the motorist. Could put that in a different way and term it the world of the wonderful motorist because in my world motorists are wonderful—they are the good people that pay my grocery bills.

I have the flash to hand that advises that the Plymouth Belvedere, the Crown Prince of the Plymouth line, will be arriving within the week and a Royal welcome that has gone into the making of a truly wonderful creation.

Happy to announce to our many customers that the name of our new parts manager is DENNIS LEONARD, who hails from the Fraser Valley and has been in the parts field for many of his young years and is with us so that we may help you.

A great big tip for the Civic Affairs Association—let's get the pros and cons on our coming referendums out in the open so that the common man may know what cooks with his money. I propose that the pros and cons of the POWER QUESTION be aired publicly by a representative of the city council which has voted in favor of the B.C. Power Commission and a representative of the N.B.C. Power which of course has voted in favor of N.B.C. Power.

Let's have the big "do" at the Civic Centre, not in the Common Lounge but in the auditorium. Let's give it lots of publicity and we'll have a crowd for sure. Might even have a representative of the Civic Centre Board and a member who wishes to take the negative side, debate also the question of granting further aid to the Civic Centre in the form of public monies. ME, I'M NEUTRAL!

Often wonder if you fishermen who are riding out the gales about the waterfront are aware that at Rupert Motors you can get parts and service on your marine motors. Engine is removed from vessel, taken to our shop, reconditioned, and after steam cleaning and repainting, is returned with our usual guarantee.

Don't be surprised if Ex-alderman, Ex-Mayor "Bert" Glassey ends up in the race for city council seats.

See where McRae Motors are advertising for late model trade-ins. Now's the time folks to trade when trading is in your favor because we also are in the same boat as McRaes. Drive up and down the street until you have both of us on the ropes—then buy the car of your choice, 'course I know what your choice will be when you see and ride a Plymouth, besides, why should I advertise for McRaes?

More house Bingo cards available if you aren't doing too well with your present one—just watch the ads for locations of extra cards.

My location is Rupert Motors, corner 2nd Avenue and 1st St.

Fifth Place Relays Win First Points

By JACK SULLIVAN
Canadian Press Staff Writer

MELBOURNE (CP) — The track and field program of the 1956 Olympic Games — spectacular all the way through—wound up today with a roaring finish.

Three world records fell on the last day of a program that saw record after record smashed in just over a week of competition. And Canada picked up its first track points of the 1956 Games when its 1,600-metre relay team placed fifth in today's final.

The Canadians just missed collecting points in field competition when Alice Whitty of Vancouver lost her fifth-place spot in the women's high jump after an official change.

Over at Lake Wendouree, meanwhile, Canada's paddlers wound up a disappointing showing in the two-day Olympic canoe competition with second-last placings in both of the events they qualified for today. They had suffered similar setbacks Friday.

The Canadian basketball team wound up an unbeaten string in the consolation round of the Olympic tournament following their early elimination from top-bracket play, defeating Japan 75-60 to finish in ninth place in the over-all standing of the 14 teams.

The U.S. won its third gold medal in the final big show when its 1,600-metre team sped to victory over Australia and France.

Canada managed only four points in the unofficial standings at the week-long track and field show.

Betty Cuthbert, Australia's golden girl, became a triple gold medal winner by anchoring the winning Australian team today. She previously had won both the 100 and 200-metre sprints.

MORROW GETS TRIPLE

Bobby Morrow, the United States' ace sprinter from San Benti, Texas, also became a triple gold winner in the men's 400-metre relay.

Mildred McDaniel outclassed her field in the women's high jump. With the Olympic title safely here, she went on to try for a world mark and made it.

Her 5-9¼ leap broke the world mark of five feet, 8¾ inches held by Romani's Yolanda Balas, who took fourth place.

Ireland's Ron Delany's time of 3:41.2 for the 1,500 metres bettered the Olympic record of 3:45.2 made by Luxembourg's Josy Barthel in 1952 and was only two-tenths of a second slower than the world mark.

At the finish of the spectacular metric mile only about seven feet separated first from last in a line-up that included four men who have run the mile under four minutes.

Klaus Richtzenheim of Germany and John Landy of Australia were second and third, both clocked in 3:42.

Canada's 1,600 - metre relay team was never in contention and salvaged fifth place from the Jamaican team, which would have done no better than sixth but was disqualified for running out of the lane.

The Canadian team was made up of Laird Sloan of Montreal, Doug Clement of Vancouver—who ran on the 1952 team—Murray Cockburn of Toronto and Terry Tobacco of Cumberland, B.C.

Canada's 400-metre team didn't get past the qualifying heats, placing fifth.

ARCHIE MOORE
. . only heard count of eight.

Ancient Archie Slaughter Victim

CHICAGO (AP)—Floyd Patterson made Archie Moore act his age Friday and whether it is 39 or 100 doesn't make much difference anymore.

Patterson, at 21 the youngest world's heavyweight boxing champion in history, knocked out Archie in the fifth round at Chicago Stadium.

Today he looked to a golden future against a mixed-up crowd of contenders.

Eddie Machen, Hurricane Jackson or Willie Pastrano head the anxious challengers but Patterson may not defend his newly-won title until June.

COULD FEEL VICTORY

"I knew I had him in the third," said the former Olympic middleweight titlist. "I hit him with a left to the stomach and he said 'ugh'—or something like that. Then I knew I had hurt him and I knew I could beat him."

Patterson, a kid with tremendous class, punched a ring saga into oblivion as he knocked out Moore, the ancient light heavyweight champion, at 2:27 of the fifth round in their showdown for Rocky Marciano's vacated heavyweight crown.

This bout was not a fight. It was a quick slaughter. The 39-year-old Moore entered the ring a 9-to-5 favorite, resplendent in a black velvet robe, trimmed in gold. That was the only time he dazzled the crowd of 14,000.

Moore paced himself hopefully for four rounds but he had no defence. He was slashed over the bridge of his nose in the third round. This was the first time Moore, a veteran of 157 fights over 20 years, was ever cut.

MOORE GOES DOWN

In the fifth round, Patterson slipped to the floor in what appeared an amateur swipe at Moore. But Floyd quickly righted. Patterson smashed a whistling left hook to the jaw. Moore was dumped, his eyes glazed in an unbelieving stare. Old Arch struggled to his feet at referee Frank Sikora's nine count.

Patterson moved in like a butcher. A left propped up Moore, then Patterson whammed across a right and down went Archie again. This time he struggled to his feet as referee Sikora counted nine or 10—it never was clear which to ringside observers. At any rate, Sikora waved a finish to the fight and the bell sounded. For a moment, it wasn't certain whether Patterson had scored a TKO or a knockout. The officials finally said it was a knockout.

Moore said in his dressing room: "I came up the long hard road, but when I got there I found the door slammed shut.

"But I don't think the referee should have stopped it," he added. "I was standng up and I heard the count of eight, then he raised Patterson's hand."

Bruins Face Wings Tonight

By The Canadian Press

Boston Bruins' stay in the heady atmosphere at the top of the National Hockey League may be short-lived as Detroit Red Wings begin tonight to make up the three games they have in hand, but it will be no less sweet, or puzzling, for all that.

Wings have a chance to tie Bruins as they play the fifth-place Toronto Maple Leafs in Toronto tonight while Chicago Black Hawks meet Canadiens in Montreal.

Ketchikan-Hi Subdues Battling Booth 53-47

Battling all the way Bo-Me-Hi managed to come within one point of their opponents, Ketchikan Kay-hi, by the end of the third quarter, but failed to make it in the final frame and were edged 53-47 as Ketchikan scored their second win in their 4-game international school basketball series at Civic Centre last night.

The game, far more thrilling than Thursday night's encounter which Bo-Me-Hi lost 43-29, proved a trying one for Ketchikan who had to play a tight and hard-fought four quarters.

Bo-Me-Hi will go to Ketchikan for the two return games December 14 and 15.

Sharing top scoring honors for the game were Bo-Me-Hi players, Jim Johnson and Bob Kelsey each with 18 points: Johnson who made 12 of his total in the second half of the game with some sensational baskets was the spark-plug behind Booth's second half come back.

For Ketchikan, Carl Corbin and Bob Thomas again shared top marksmen honors with 12 points each.

Starting off at a good pace, Kay-Hi captured the first quarter 14-9 paced by John Huf. with five points.

Bo-Me-Hi's Kelsey contributed seven of his team's points.

In the second frame, Ketchikan established an 11 point margin for a 27-16 half-time score.

A re-juvenated Booth squad took the floor at the beginning of the third quarter. They scored, dribbled and passed their way up the point ladder in a thrilling comeback to end the stanza 37-36, Johnson's sensational eight baskets and two foul shots accounted for the Rainmaker rally.

With the Ketchikan defence seriously pierced, Booth supporters went wild, yelling and screaming school songs to encourage their team.

It looked for a moment that Booth might make it, but three baskets from Kay-Hi's Thomas stemmed the Rainmaker's offensive. Johnson, again contributing to Booth's scoring with five points and Kelsey with two failed to break Kay-Hi's lead.

Ten foul shots were called against Bo-Me-Hi coached by Len Lavik while 11 were called against Kay-Hi coached by R. Sayler.

In the preliminary event, Sports Shop scored a 30-23 decision over North Star.

Paced by D. MacLeod with 1 points, Sports Shop took a 7-first quarter lead increased their scoring pace in each succeeding frame 13-8 and 21-10.
