Pleasure Boat Explodes, Burns

VANCOUVER (CP)— A 35-foot pleasure craft burned to the water line after it exploded in Burrard Inlet here Monday.

The explosion, caused by a gas leakage, hurled a mechanic into the water near the Burrard Yacht Club.

William Kronko of Vancouver was rescued unharmed by another boat. He had gone aboard the Al Kappa to repair a leaking gas pipe.

The explosion occurred when Mr. Kronko turned on a fan to get rid of the gas fumes.

Victor Phillips estimated damage to his boat at between $15,000 and $20,000. He said it was only partly insured.

Committee Screens Bids For Tigers

DETROIT (AP)— A three-man screening committee today had under study eight multi-million dollar bids for the Detroit Tigers' American League franchise.

There appeared a better-than-even chance that Walter (Spike) Briggs, the club's president since 1952, would remain with any new organization in some executive capacity.

Tigers announced Tuesday that eight syndicates formally submitted bids for the club and Briggs Stadium. Briggs, Harry M. Sisson, secretary and business manager, and Charles T. Fisher, treasurer, will examine the bids.

Within two weeks they are expected to forward to the American League president, Will Harridge, and Commissioner Ford Frick the names of those the committee considers "top contenders."

Briggs said he will ask approval of the league and the commissioner to 'avoid any possible confusion." Provided approval is given Tigers will announce by the end of the month the group that will assume control about October 1.

The 44-year-old president, who with his sisters inherited control of the club in 1952, said five of the eight groups have asked him and Sisson to stay on. He did not say which ones.

Although Briggs said he is not at liberty to disclose the amounts offered, best guesses placed the higher bids in the neighborhood of $5,000,000.

Move Begun To Ease Liquor Laws

OTTAWA (CP)—A proposal to give Canada's 155,000 Indians less restrictive liquor laws now is before the Commons.

It likely will be the most controversial of a series of amendments to the Indian Act introduced Monday by Citizenship Minister Pickersgill.

The proposed amendment would give Indians approximately the same liquor rights as now enjoyed by white men, provided their home province and band approve.

During discussion of a resolution preliminary to introduction of the measure, John Diefenbaker (PC-Prince Albert) recommended establishment of a royal commission to study the "tremendous problems" of the administration of Indian affairs.

These problems, he said, would not be solved by piecemeal, haphazard amendments to the Indian Act.

SPEAKER'S BOMBSHELL

Earlier in the day, Speaker Rene Beaudoin dropped a bombshell in the Commons by announcing his resignation, climaxing a month of controversy in and out of the Commons over his conduct of parliamentary debates.

He put his resignation at the pleasure of the House, to become effective as soon as possible after the return next Monday of Prime Minister St. Laurent from the Commonwealth prime ministers' conference in London.

The Rothamsted experimental station in Britain is working on extraction of proteins from grass, leaves and potato tops.

SIAMESE TWINS

GROSSMONT, Calif. (AP)— An operation to separate Siamese twin boys born Monday to Mrs. Floyd Hutchens may be performed in 30 days, the attending physician said today. Dr. Leroy E. McDowell said the date of the operation depends on the rapidity with which the twins gain weight. Their weight at birth was estimated at between 5½ and 6 pounds. Mrs. Hutchens, 33, and the twins are in "excellent" condition, the physician said. The infants are joined back-to-back by a tissue connection at the lower part of the spine.
