Darkness Halts Senior Contest As Hotel, Esquires Sawoff 3-3

Esquires and Commercials were unable to improve their positions in the senior baseball standings despite playing three extra innings at Roosevelt Park last night to try and break a 3-3 deadlock in a scheduled game which was called on account of darkness at the end of the tenth inning. Game will be re-played if its outcome should affect the league standings.

Esquires took a two-run lead in the bottom of the first and hotel manager Miner Simundson used three pitchers to overcome the deficit and try for a win.

Commercial third baseman Bill Sedgwick cleared the left field fence with a 3-2 pitch to make the score 2-1 in the third. The hotelmen tagged Esquire Jack Sharpe for singles in the fourth and fifth but were unable to score until the sixth when they moved into a 3-2 lead. Lindsay singled, went to second when Bill Gunn walked, was sacrificed to third, and came home as Sharpe was delivering to Don Hawryluk. Umpire Steve Mintenko ruled Lindsay safe on the grounds that catcher Rey McKay had stepped across the plate before the ball had reached him. Gunn tagged up after Hawryluk drove a long ball to Matty Sedgwick in left field.

Esquires tied the game 3-3 in the bottom of the sixth when Hawryluk hit Danny Bill with a pitched ball and walked Ray Spring. Gordie Cameron came in to relieve and promptly gave up a single to Sharpe to bring Bill home.

From then until the game was called Cameron only allowed one hit, a single to McKay in the seventh, while Sharpe handcuffed Commercials so that only one of them reached base, Joe Davis on a muffed pickup by Joe Giordano at short.

For Esquires, Sharpe went the distance, giving up three runs on seven hits, three walks while striking out eight. His team mates committed three errors afield.

Hawryluk pitched five and two-thirds innings, gave up three hits, two walks, hit two batters. Bury in the fifth and Bill in the sixth. He struck out two. Cameron gave up two hits, walked two and struck out seven. Commercials committed five errors.

Two Commercial threats were cut off by outstanding fielding plays. Bury, freshman third baseman for Esquires, threw from a lying position to Sharpe on the mound for a relay to first, robbing Glen Carlson of a hit in the third inning, immediately before Sedgwick hit his round tripper. Ken Tubman loped a country mile to take Joe Davis' drive to centre field to retire the sides.

Commercials left eight men on base, Esquires 13.

Commission Completes Fight Probe

PHILADELPHIA (AP)—The Pennsylvania Athletic Commission has wound up its investigation into the Harold Johnson—Julio Mederos fight. The big question is Now what?

It ended Tuesday, the ninth day of an investigation that extended over four weeks.

The fight with its strange ending May 6 had serious repercussions Governor George M. Leader suspended all state boxing for 90 days.

Mederos was awarded a technical knockout when Johnson collapsed after the second round. Doctors said Johnson was "drugged" by a barbiturate. Who drugged Johnson or how the drug was administered was not established.

Johnson, top-ranking lightheavyweight contender, said an orange given him by a stranger tasted bitter and probably caused his illness. He also testified Louis Saccaroma of Miami, one of Mederos' managers, was in his dressing room shortly before the figh but Saccaroma, identified by Pennsylvania police as a former narcotics convict, denied this.

SIX CHARGED

The commission charged Johnson, matchmaker Pete Moran and four other persons with participating in a "sham and collusive" contest for failing to report Johnson ill before the fight.

June 24 was set as the date for oral arguments before the commission here.

Ez's Future At Stake Tonight

CINCINNATI (AP) — Whether former heavyweight champion Ezzard Charles figures any longer as a top-flight fighter may be determined tonight when he meets Jimmy Holman of Chicago in a scheduled 10-rounder.

Holman scored a technical knockout over Charles in the ninth round at Miami Beach, Fla., April 27. Charles, although down in the first round, had come back and was ahead on points until Holman battered him into helplessness.

It was only the fourth time in 15 years the Cincinnati belter had been stopped. Ford Marshall scored a knockout in 1943; former champion Joe Walcott did it to him for heavyweight title in 1951, and Rocky Marciano did it last year.

Holman has been boxing since 1947, but his record was not too impressive until this year. He was stopped twice in a row last year by Bob Satterfield.

Aces Meet Rangers Tonight

Second game of the Prince Rupert and District Football Association League play for the Shearsdown Trophy will be played tonight at Roosevelt Park between Aces and Rangers.

Game time is 7 p.m. and scheduled to referee is Bill Baxter.

60-Pounder Wins Derby At Ketchikan

First prize of $1,500 in the Annual Ketchikan Salmon Derby, which finished Sunday, was won by Mrs. Kit Woods of Ketchikan who boated a 60 pound, 2 ounce fish.

Second largest fish, taken by a Mr. Alexander, of Ketchikan was a 50 pound 8 ounce salmon. Thirteen other prizes were awarded Derby entrants for fish ranging in size from 40 down to 30 pounds.

Proceeds raised by the Derby, sponsored by the Ketchikan Fish and Game Club, go toward the salmon hatchery.

Winning fish were caught, along with 18 other big salmon at Mountain Point, while at Clover Pass where last year's winning salmon was hooked, not much success was reported.

Ex-Telegraph Creek Youth Coxswain For UBC Scullers

By PETER MURRAY
Canadian Press Staff Writer

VANCOUVER (CP)—Carl Susuma Ogawa owns a jockey's build and a raspy voice. He's proud of both and hopes to parley them into a world sightseeing tour from the stern of a racing shell.

They are the trademarks of his job—coxswain for the crack University of British Columbia eight-oared crew which will compete at the Royal Henley Regatta June 29-July 2.

The five-foot six-inch frame of the shy 20-year-old Japanese-Canadian is just about perfect for a cox.

The gravelly voice comes from bellowing out the stroke for the rowers from his perch in the stern of the shell.

SHOUTS TO BE HEARD

"I have to yell at the top of my voice or the guys would never hear me," says the normally soft-spoken Carl.

He is the only new member of the crew that upset England in the eights at the British Empire Games regatta at Chilliwack, B.C., last summer.

And big things are ahead this summer for the slender youth who was born in the isolated fishing village of Telegraph Creek, B.C. and has never been out of the province.

After competing against top U.S. college crews at Newport, Calif., the crew will fly to England for the Royal Henley regatta June 8. They will be away a month.

Before enrolling at UBC Carl's closest brush with athletics was an occasional game of handball at his home in Salmon Arm, B.C.

He was in first-year commerce last fall when he spotted a story in the campus newspaper saying that the crew needed a coxswain.

LANDED THE JOB

Ray Sierpina, coxswain in the games-winning crew, did not return to university.

Carl and two other lightweight students tried out for the job.

"I didn't think I had a chance," Carl says modestly now, "but the other fellows dropped out and I got it."

He soon caught on to the mechanics of calling the stroke and steering the slender 63-foot shell on a straight course.

Carl intends to bring his weight down to the minimum 112 pounds for the Henley. If he gets below that figure the difference will have to be made up with sand. Any more is just added weight for the crew to pull.

His father operates a sawmill at Salmon Arm and Carl plans to enter the business after graduation.

Storemen Down Sea Kings 10-1

Behind the steady pitching of Don Love and solid hitting by Ray Windle, Jack Mutch and John Rosedale, Super-Valu of the Little League set down the Sea Kings by a 10-1 margin.

Don Love pitched the entire game for the winners, allowing only three hits, issuing no free passes and registering ten strikeouts. Dickens, who started for the Sea Kings was tapped for eight hits and gave one walk to let seven of the storemen cross the plate. Bruce Kerr who took over the mound in the fifth gave up four hits and a walk and hit one batter to let three more runs score.

Mutch opened the scoring by means of a single in the top of the second, taking second on a passed ball moving to third on a play which put Bremner out at first and coming in on a single by Donders.

Main added another in the third getting on with a single and scoring from third on a single by Windle. Windle scored on an infield fumble. Scott, Main, Windle, Mutch, and Rosedale all scored in the fifth on hits by Windle, Mutch, Rosedale and Calderoni. Windle and Mutch added two more in the sixth on hits by Windle and Rosedale.

Arnold Johnson brought in the lone run of the Sea Kings in the bottom of the fourth getting to first base on an error, taking second on Love's wild pitch of the game and moved to third on an infield out that cut Scruby off from first base. A two bagger by Bruce Kerr brought Johnson home. The only other hits by Sea Kings were a double by Scruby with no one on in the second and a single by Allen in the sixth with no one aboard.

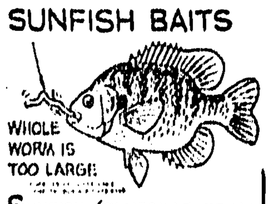
SUNFISH BAITS



WHOLE WORM IS TOO LARGE

SUNFISH (BLUEGILLS, BREAM, "PUNKINSEEDS," ETC.) HAVE A SMALL MOUTH, SO USE HOOKS AND BAITS THEY CAN TAKE IN ONE GULP. A WORM (OR PIECE) 1" LONG, THREADED ON A SHORT-SHANK, SIZE 8 (OR LESS) HOOK IS TOPS. IF A LARGE WORM IS USED, SMALL SUNNIES PECK IT UNTIL IT'S GONE AND MAY NOT GET HOOKED, WHILE BIG BREAM MAY GROW SUSPICIOUS AND LET IT ALONE AFTER ONE PECK. 2ND CHOICE BAITS ARE GRUBS, "HOPPERS," CRICKETS, BEETLES, ETC., AND NYMPHS. MINNOWS ARE TOO LARGE, SO THEY'RE POOR BAIT.

REMOVE HIND LEGS AND WINGS, THEN THREAD GRASSHOPPER TAIL-FIRST ON HOOK.
