WORK ON DRY DOCK TO COMMENCE THIS WEEK

Mr. Stirrett, Who Has Contract for Cement Foundations Will Push Work

Mr. Stirrett, the contractor for the cement foundation of the G.T.P. drydock, who is in the city, states positively that this week work will be commenced. He states that the long spell of bad weather lately has greatly retarded the assembling of the material. There is a large stock of sand and gravel now on hand. The initial stages of the work will have to be carried on at extreme low tide. It is expected that the buildings on the cement foundation now to be laid, will be started upon early next spring.
