Big Crowd Applauds Drill Team

Crowds of Prince Rupert residents lined the Civic Centre block on Second Avenue last night to watch 30 trimly-costumed girls of the Job's Daughters Drill Team demonstrate their clever precision marching routine.

The girls marched behind a bright Prince Rupert banner, presented to them at a ceremony earlier in the evening at the armories.

The flag was presented by Douglas Frizzell on behalf of his mother, Mrs. S. Frizzell, and himself. Mrs. Frizzell designed the banner of red satin with white fringe with Prince Rupert, B.C., in large white block letters on both sides. Ling Bo Shong made up the flag.

FIRST BANNER

In presenting the banner Mr. Frizzell, quoting his mother, said "God bless you, girls, and may you carry this flag, and the name of Prince Rupert to further fame."

Drill Captain Carol Hill accepted the banner, noting that it was the team's first flag of their own, and thanking Mrs. Frizzell for her thoughtfulness.

From the armories, the girls marched to Second Avenue where their dazzling display brought enthusiastic applause.

The girls march through 22 intricate figures in less than 20 minutes in their precise and colorful drill.

Costumed in short red plaid skirts, long-sleeved satin blouses, sleeveless black velvet boleros and black velvet tams with red pom poms, they march through the routine without a mis-step, directed by Captain Hill.

In their quick-step manoeuvers, to the music of bag pipes, they form crosses, squares, circles, figure eights, solid V's and other formations, moving magically from one to the other.

The Rupert teams in past years have won international fame, appearing at festivities in many points throughout Canada and the United States.

This year's team will leave August 6 for Kelowna, where they have been asked to appear as a feature of the Kelowna regatta.

PERSONALS

J. C. "Jock" Ewart left last night aboard the Prince Rupert for Victoria where he will take part in summer Reserve Army training at Gordon Head Army Camp.

He will later go to Vancouver to meet his wife who has been visiting her family in Belgium for the past three months.

MISS CANADA — Barbara Markham, a 21-year-old dark-haired beauty from Cornwall, Ont., has been crowned Miss Canada, 1954, at Windsor, Ont. She will represent Canada at the Miss America pageant at Atlantic City. Miss Markham, born in Toronto, has had one year of fine arts course at McGill University and three years at the Ontario College of Art. She is 5 feet 9½ inches tall, weighs 145 and measures 37, 26, 37 at bust, waist and hips.

Gwendolyn McRae, Formerly Of Rupert, Weds in South

Of interest in Prince Rupert was the recent wedding in Victoria at which Gwendolyn McRae, formerly of Prince Rupert, became the bride of Lieut. (S) Douglas Vincent Parker, RCN.

The bride, daughter of Mr. and Mrs. Roderick McRae of Victoria, grew up in Prince Rupert, leaving here with her family about six years ago. She is niece of Mr. and Mrs. John McRae, 230 Eighth Avenue West, and Mrs. Edith Johansen, 326 Fourth Avenue East.

The groom is son of Mr. and Mrs. Frank V. Parker of Winnipeg.

The Rev. J. S. P. Snowden conducted the rites in St. Mary's Church, Oak Bay.

The bride wore a period-style gown of French lace and tulle with lace bodice featuring portrait collar of tulle appliqued with pearl and diamente studded rosettes, and bouffant tulle skirt en traine, with a wide panel of lace in the front.

Her silk illusion net veil was held by a tiara of pearls and opalescent stars, and white roses and stephanotis formed her cascade bouquet.

Miss Gwendolyn Bradley as maid of honor and Miss Clarice Johnson as bridesmaid chose identical gowns of white Swiss embossed organdy over Wedgewood blue taffeta. They wore crowns of pearl-sprinkled blue net and carried cascade bouquets of marguerites and delphinium in shades of blue.

Best man was Instructor Lieut. Neil Orr, RCN, and ushers were Sub-Lieut. R. Leduc, RCN, and Lieut. (S) T. Siginson, RCN.

The groom's sword was used to cut the three-tier wedding cake at the reception at the Olde England Inn.

The couple left for a honeymoon in Oregon, after which they planned to make their home in Victoria.

50 City Girls Leave Monday For Bible Camp at Terrace

The annual girls' Bible camp at Few Acres, Braun's Island, Terrace, will open next week with 50 Prince Rupert girls leaving here by train Monday night for the ninth annual session.

The camp, staged on the property of Miss Gertrude Mitchell, two miles from Terrace, is sponsored by the First Baptist Church of Prince Rupert. Joining the local girls will be several from interior points.

Mrs. Fred Antrobus is director of the camp, scheduled for August 2 to 11, and will be assisted by Mrs. Henry Vanderheide, Mrs. Lloyd Bowman, Evelyn and Arthur Jones, Mr. and Mrs. Stanley Bradshaw, Miss Eleanor Peters and Mrs. Buller, who is an expert at crafts.

Also attending will be a missionary on furlough, Miss Zina Kidd of India, a registered nurse.

Though sponsored by the Baptist Church here, the camp also includes girls from five other denominations in Prince Rupert.

The camp site has been built up over the past nine years by Miss Mitchell, with buildings and facilities improved each year.

Last year running water was installed and this year a new cabin has been erected to house 50 campers, with tiered bunks installed.

The campers are to meet at the CNR depot at 8:45 p.m. Monday, for the train trip. They will arrive back in Prince Rupert on the train Wednesday night, August 11. On that day, a group of local boys will leave to take over the camp, and boys wishing to attend are asked to register with the Rev. Fred Antrobus immediately.

Buttons Trim Winter Styles Shown in London

LONDON (Reuters)—Buttons and the new soft southwest African persian lamb are featured throughout the winter collections shown in the last three days by London't "big 12" designers.

Every one of these top couturiers has used buttons to emphasize the new season's line.

Ronald Paterson, young Scottish designer showing as a member of the exclusive Incorporated Society of London Fashion Designers for only the second time, showed the most original as well as the boldest collection of all.

Stressing a relaxed, feminine silhouette, he produced a line which could have been just sloppy but was, in fact, both chic and highly wearable.

Like his colleagues, he used buttons on day clothes as emphasis, buttons set way down below the waist and finishing at the hem. On one camel-colored, long-haired wool coat, for example, Patterson's effective buttons began only at the hipline—although a "dummy" pair was set just below the waist.

This same coat introduced an original new length—the 9-10 length, which makes a smart ensemble when worn over a matching suit or dress.
